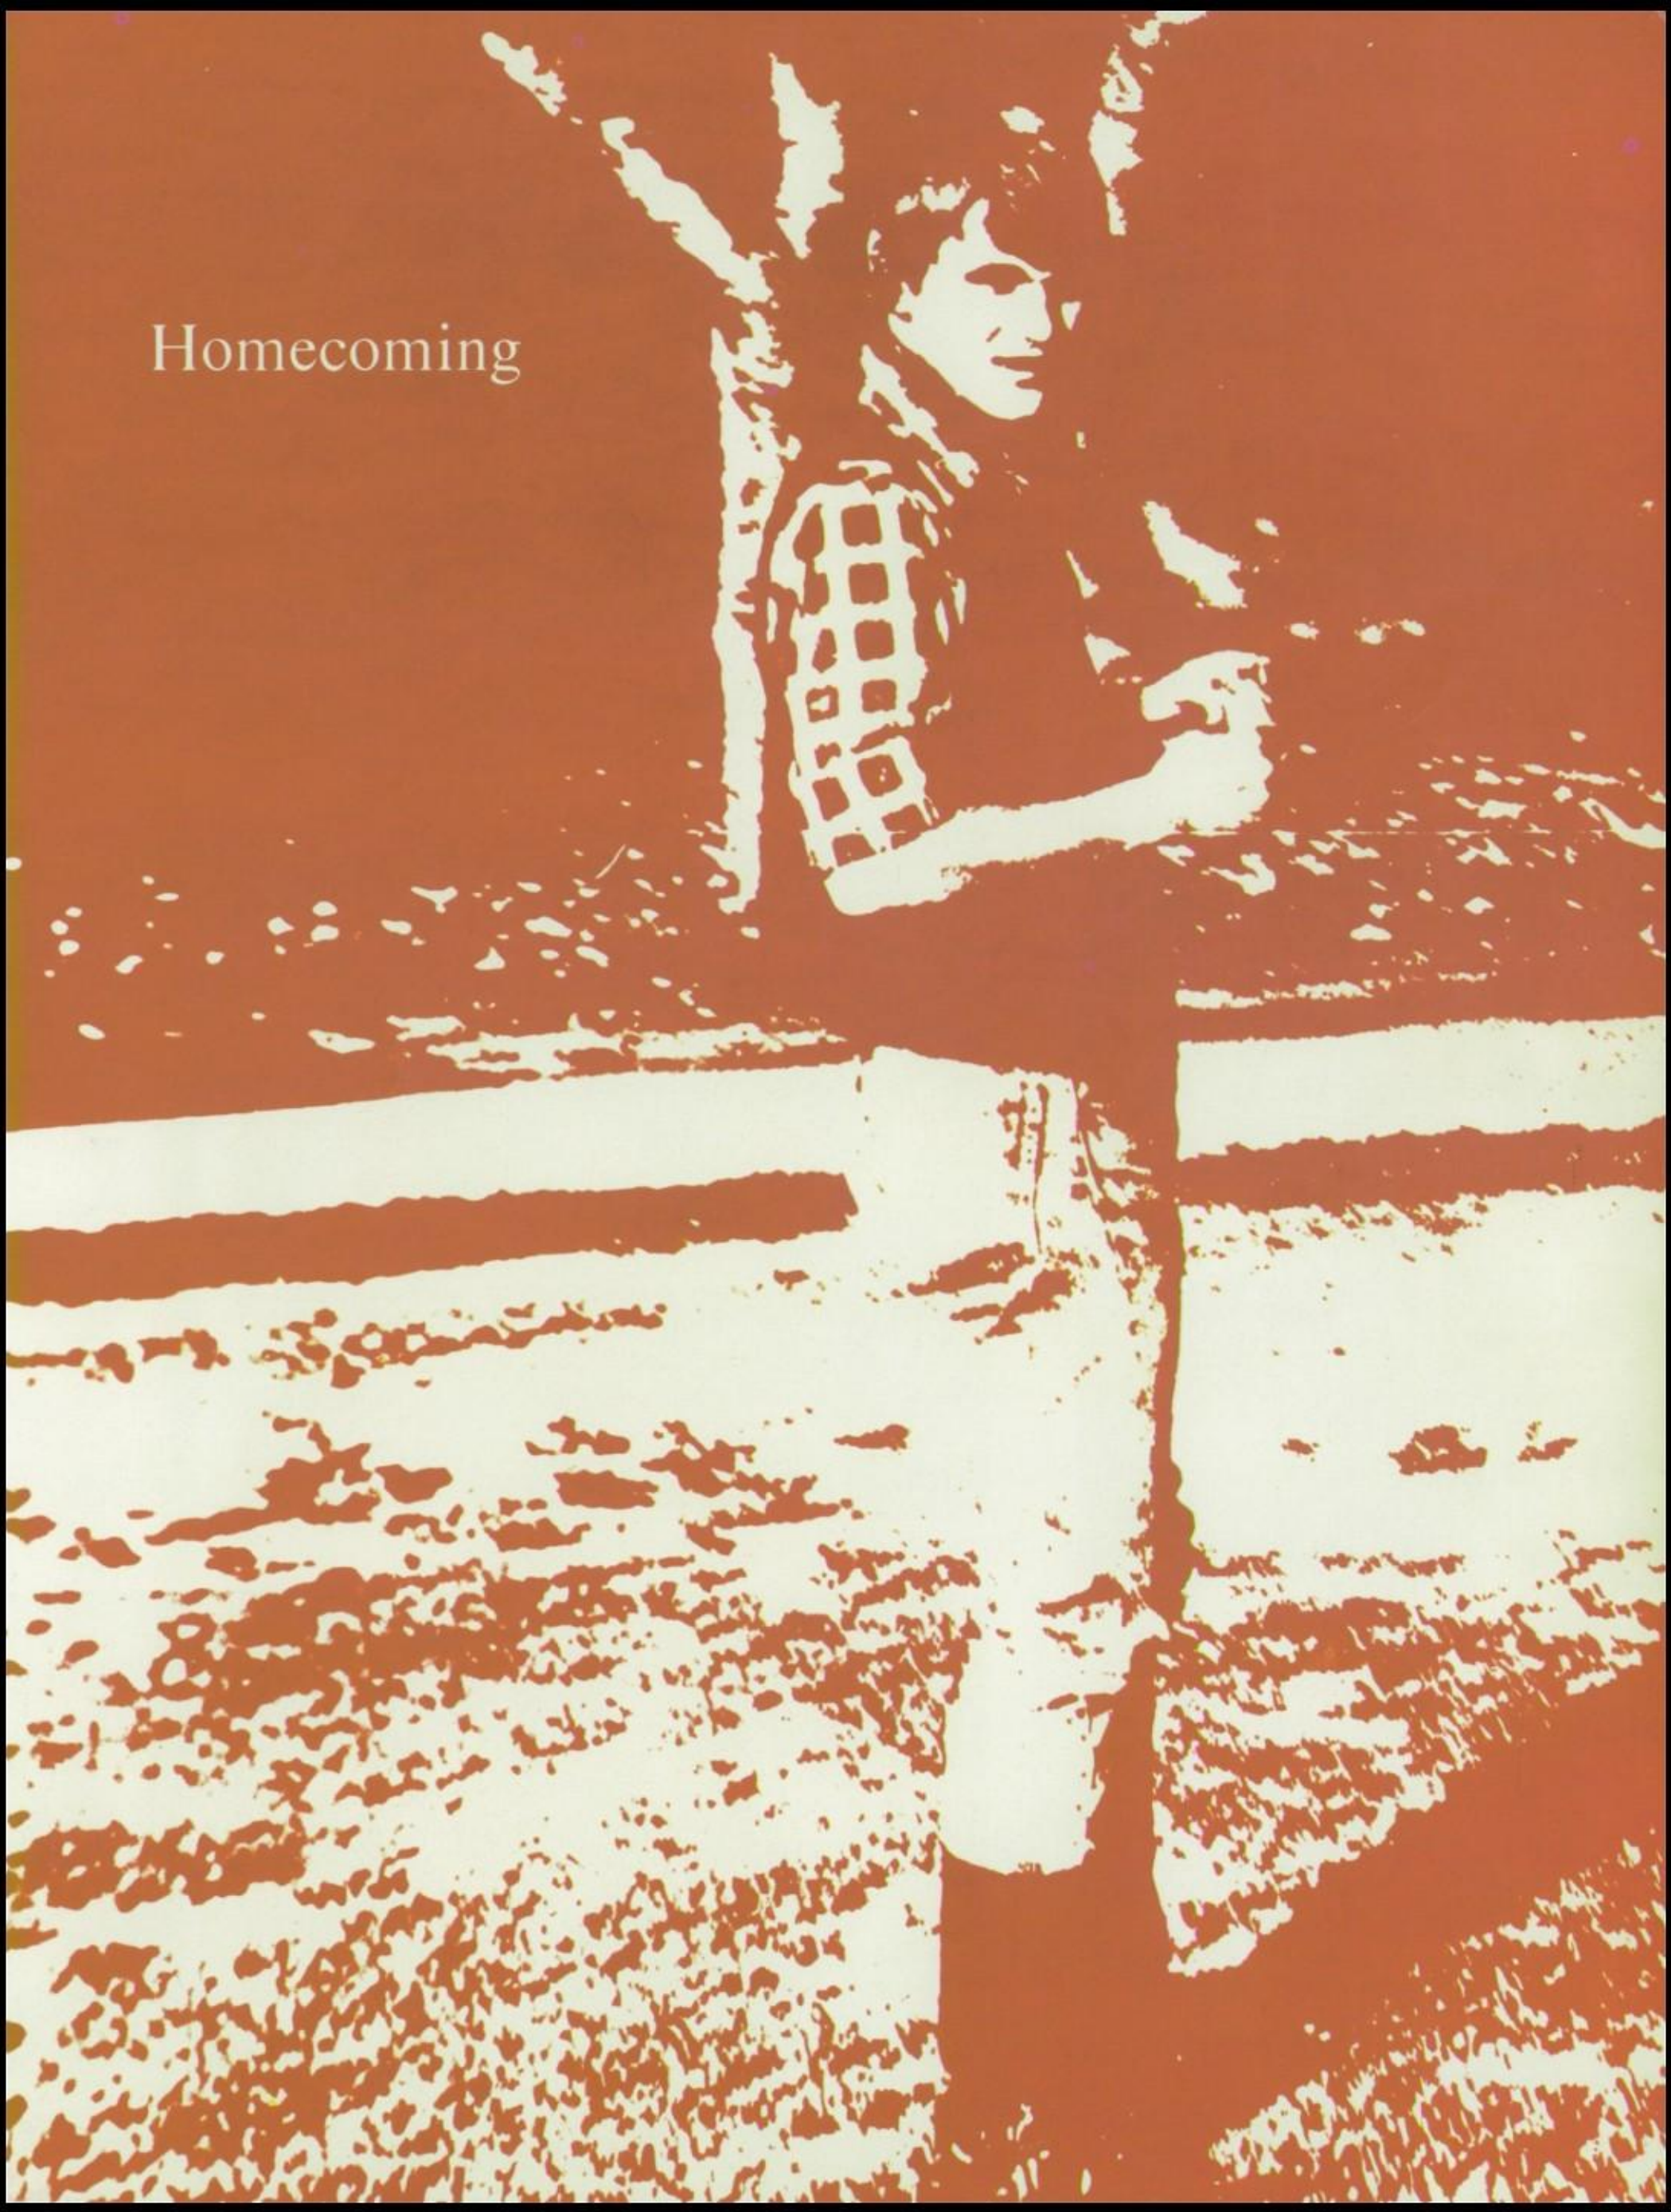
Homecoming



Spirit Week

Spirit Week, which was held the end of November, was a very special week here at Valley. It contained days such as Nift-Fifties Day, Hat and Sunglasses Day, Tourist Day, Western Day, and the traditional Maroon and Gold Day on Homecoming. The highlight of the week was on Tuesday, the night of the Powder Puff Game. The Junior and Sophomore girls pulled out a victory over the Senior girls, beating them 8-7. When the game came to an end, the girls for this year's Homecoming court were announced.

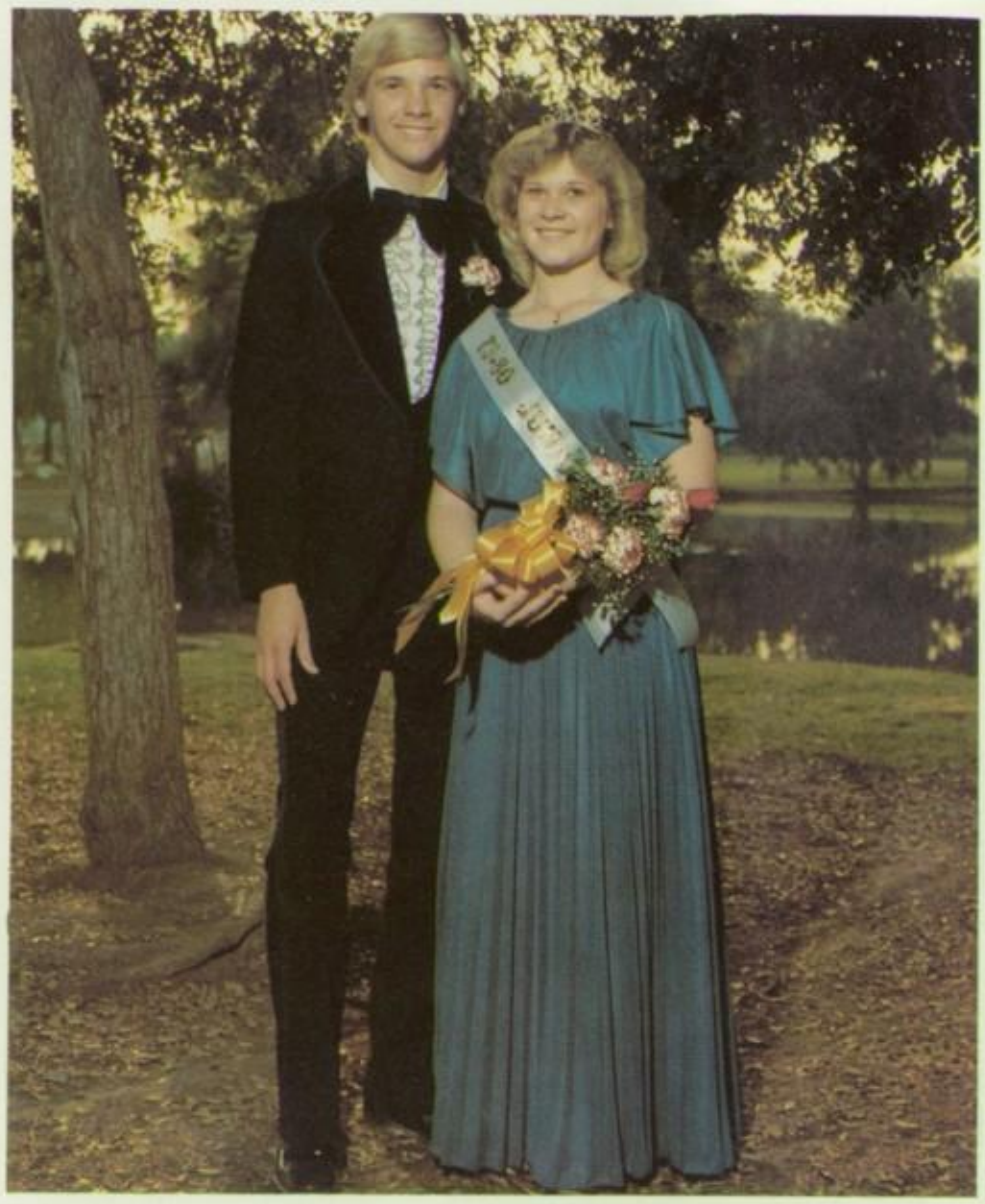
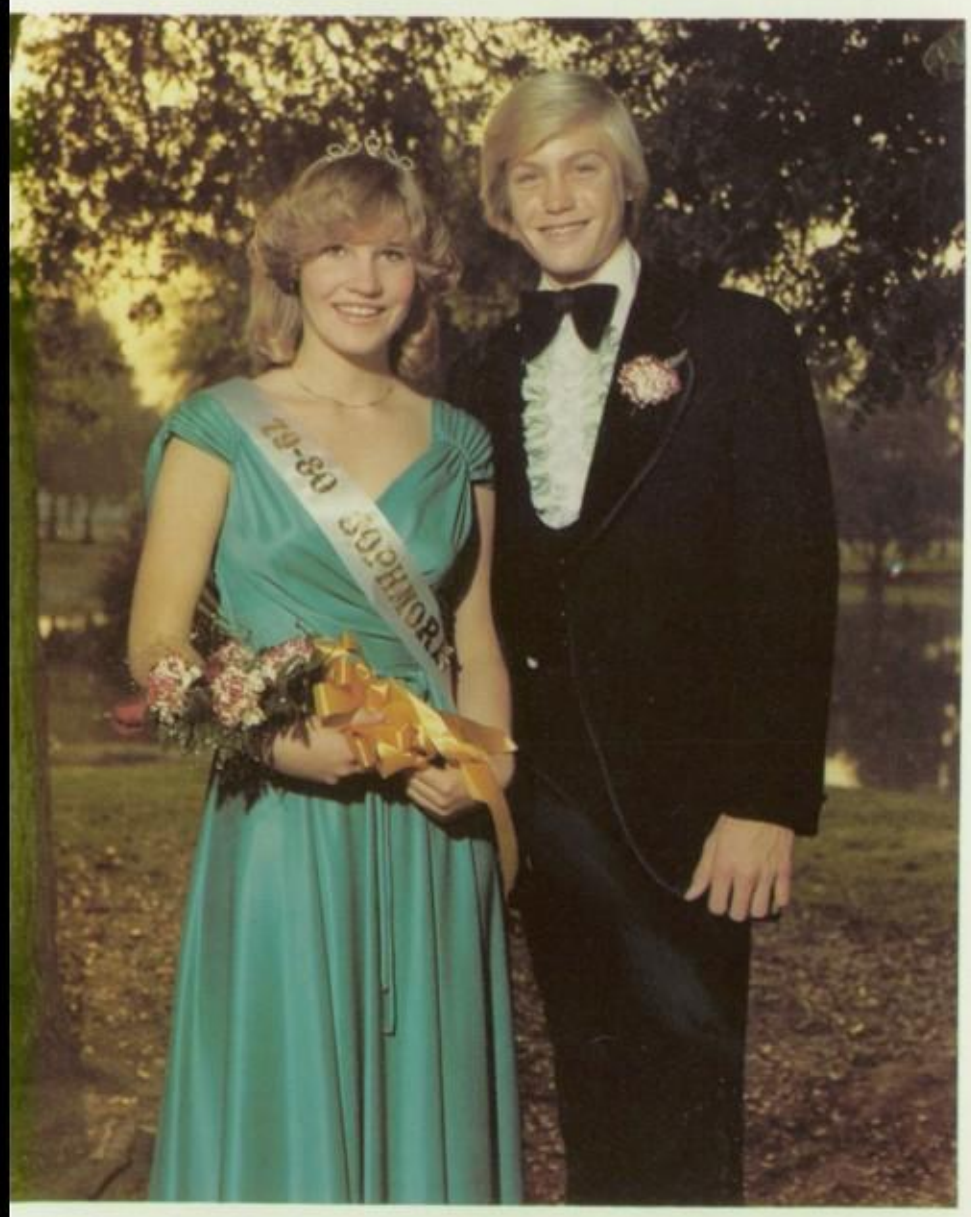
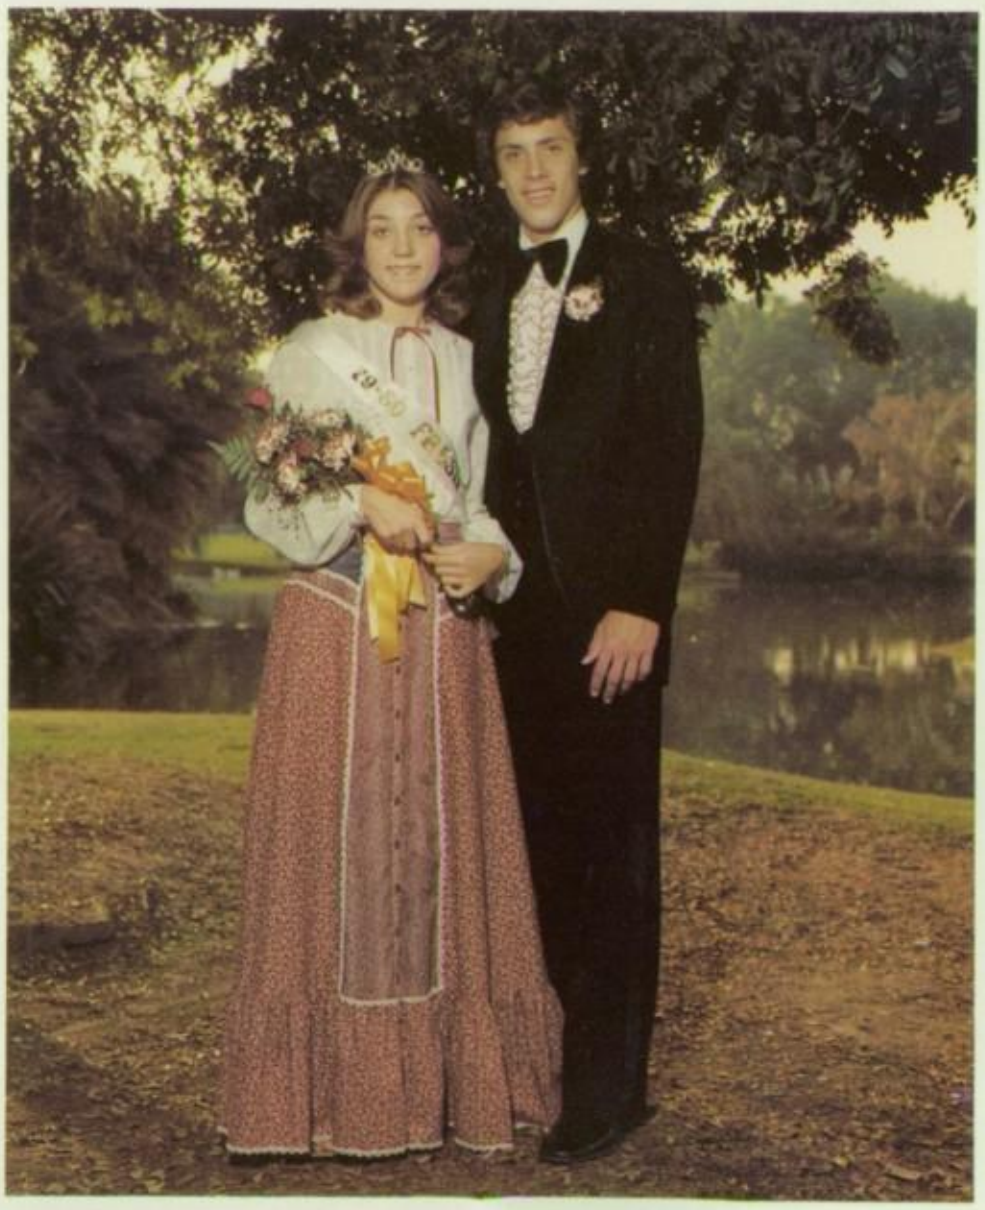
Senior Princess: Sandra Sybesma
Escort: Arie Vander Weide



Junior Princess: Joni Wigboldy
Escort: David Bush



Sophomore Princess: Melissa Mabry



Freshman Princess: Carmen Cole
Escort: Denise Vogel

The spirit of the Old West was the theme of this year's Homecoming. Horse-drawn carriages carried each princess and her escort around the track to meet the princesses father, who escorted them down the football field. M.C. Dan Goodman introduced each princess to the excited crowd in the stands. With all princesses and both candidates for queen on the platform, the highlight of the evening was just moments away. Anticipation grew as Dan Goodman prolonged the opening of the envelope. The final decision drew cheers from everyone as Liz Dragt was announced the 1979-1980 Homecoming Queen. She was crowned queen by 1978-1979 queen, Toni Doornbos. Liz Dragt then received the traditional game football from the Crusader's quarterback, Dale Struiksma. On the whole it was an exciting evening and the Old West was renewed.

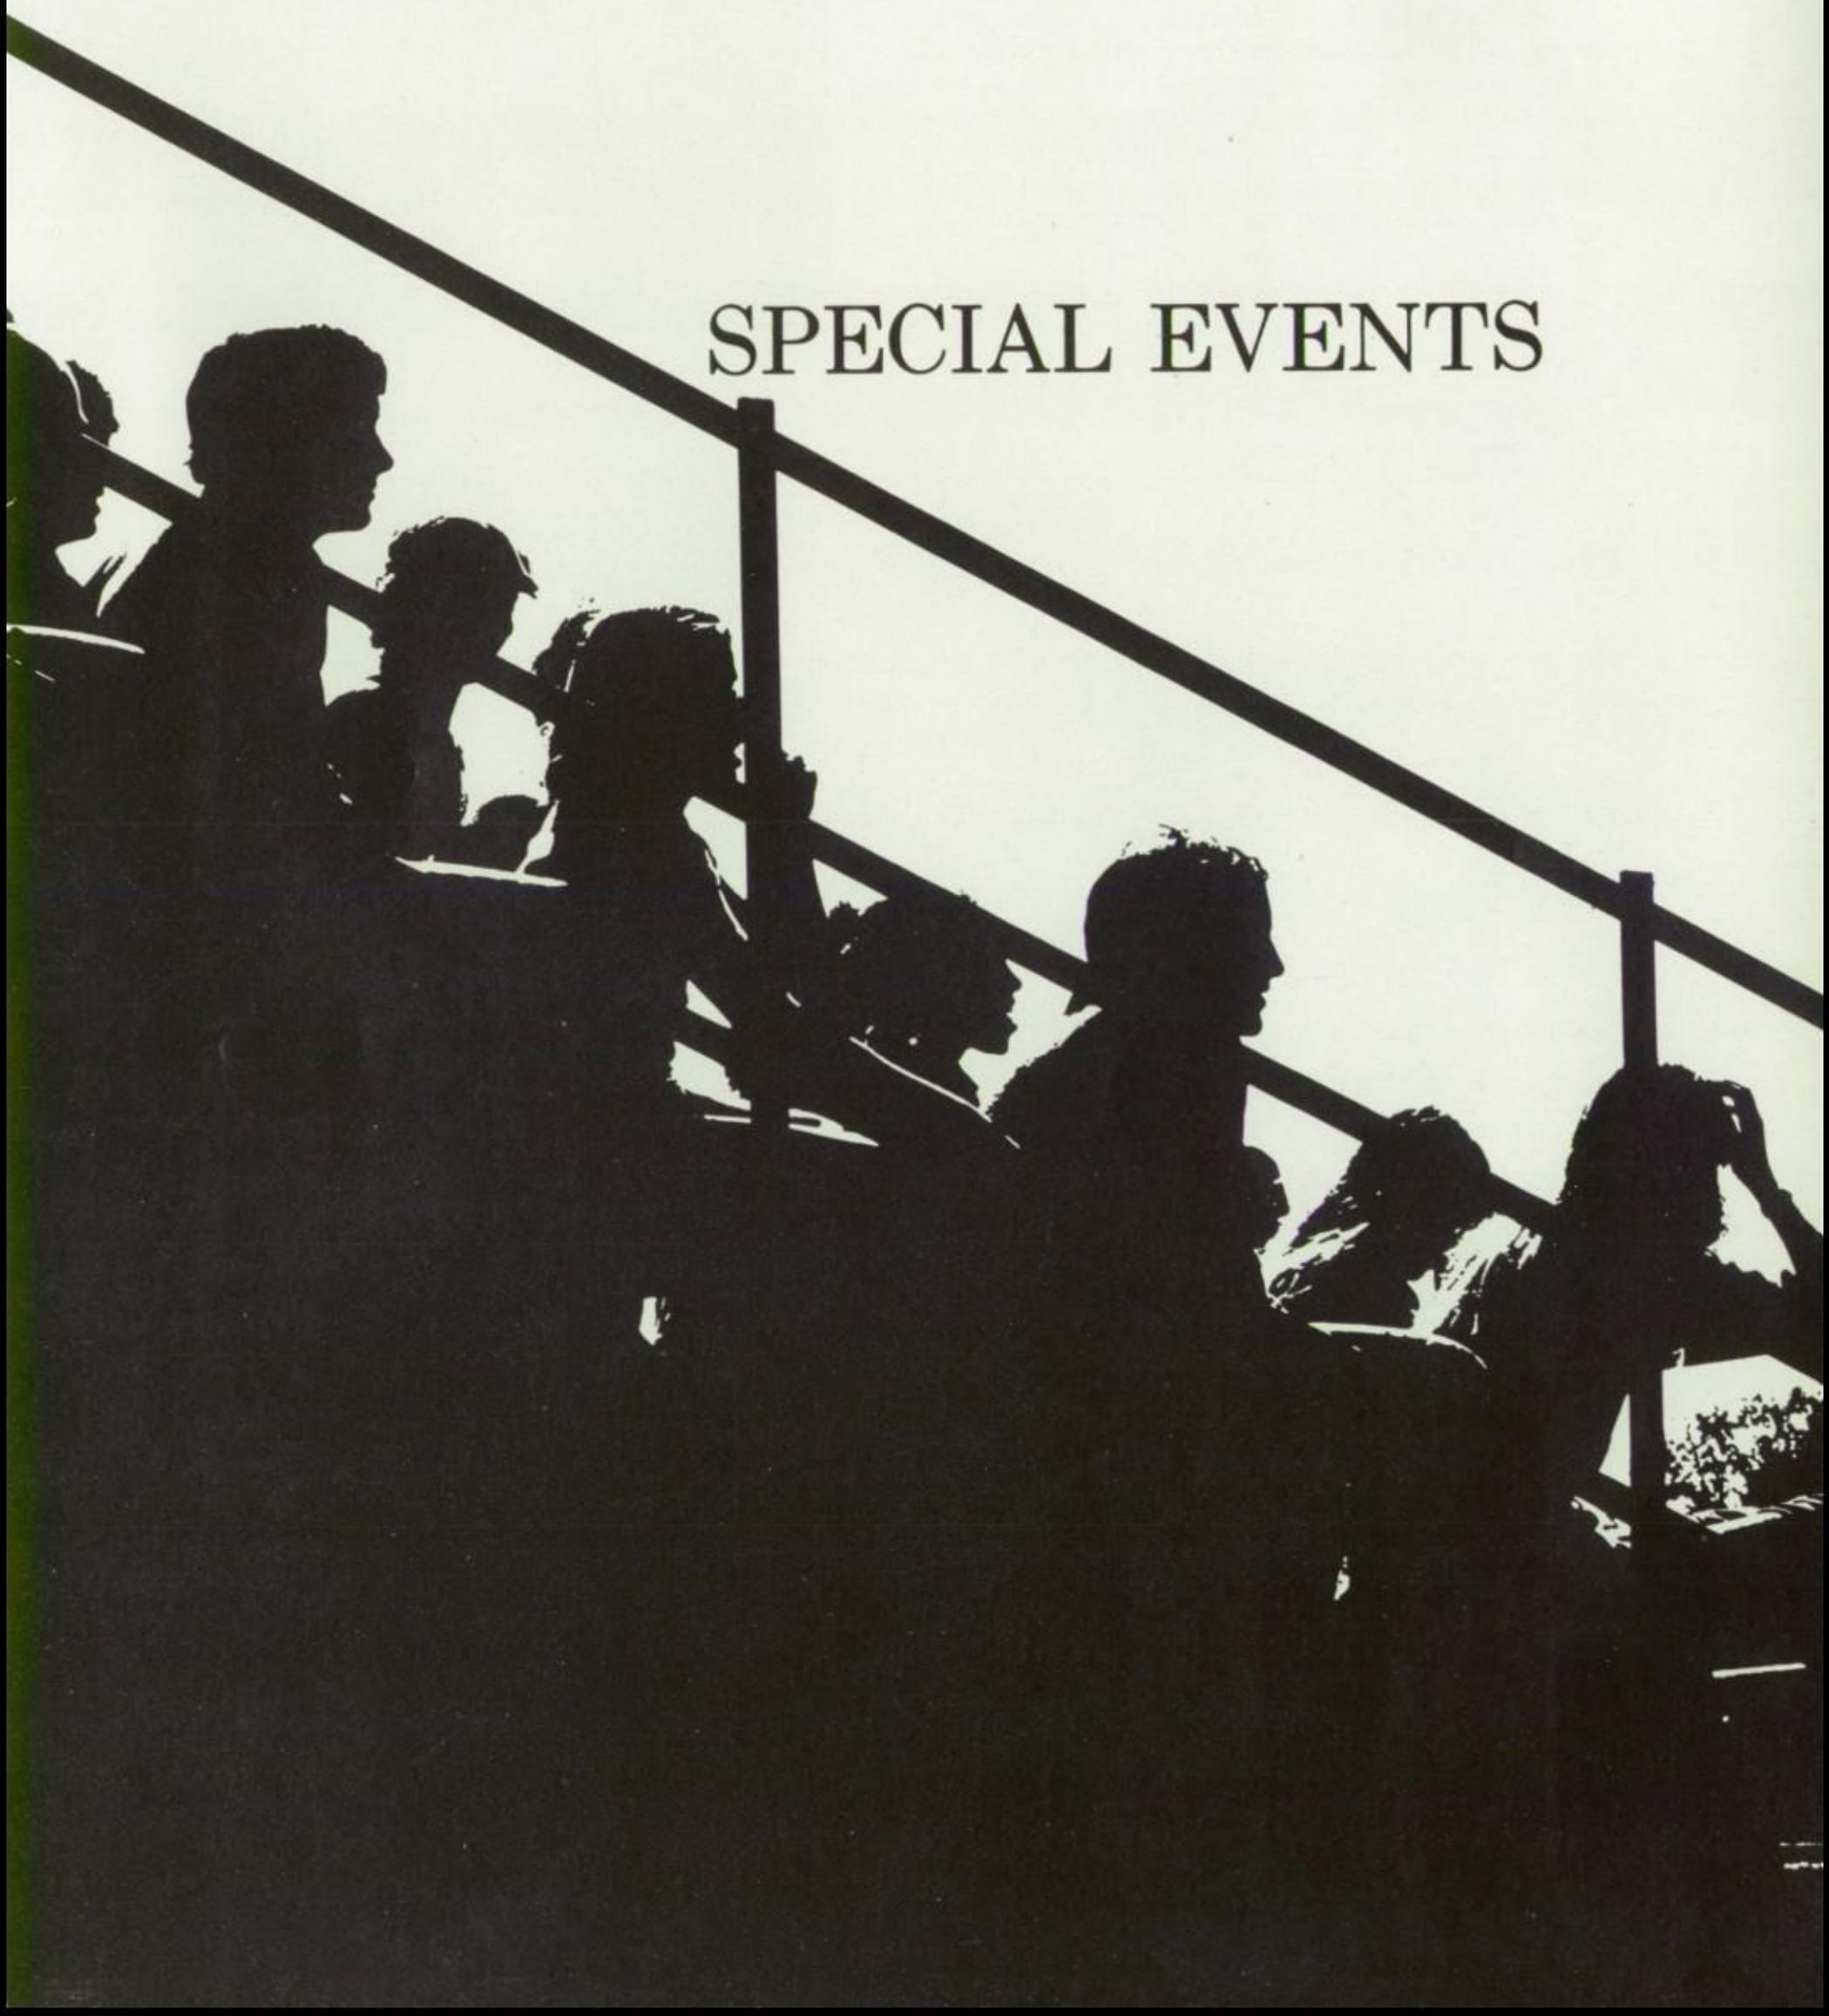
SPECIAL EVENTS



Senior Play

Again, the senior class did an outstanding job with the senior play. This year's play, **The Government Inspector,** was about a small Russian village who hears that a government inspector is coming to town. With that in mind, the Mayor, alias Bubba Van Vuren, along with the whole town, prepare for his coming. Although attendence was down for what was usually a traditional full house, those who did go were treated to an excellent job of casting and directing by Mr. Cole, and an excellent job of acting by a cast of senior stars. Of course, props and sets were lavishly done and make-up and costumes were excellent.

Senior Mothers' Tea

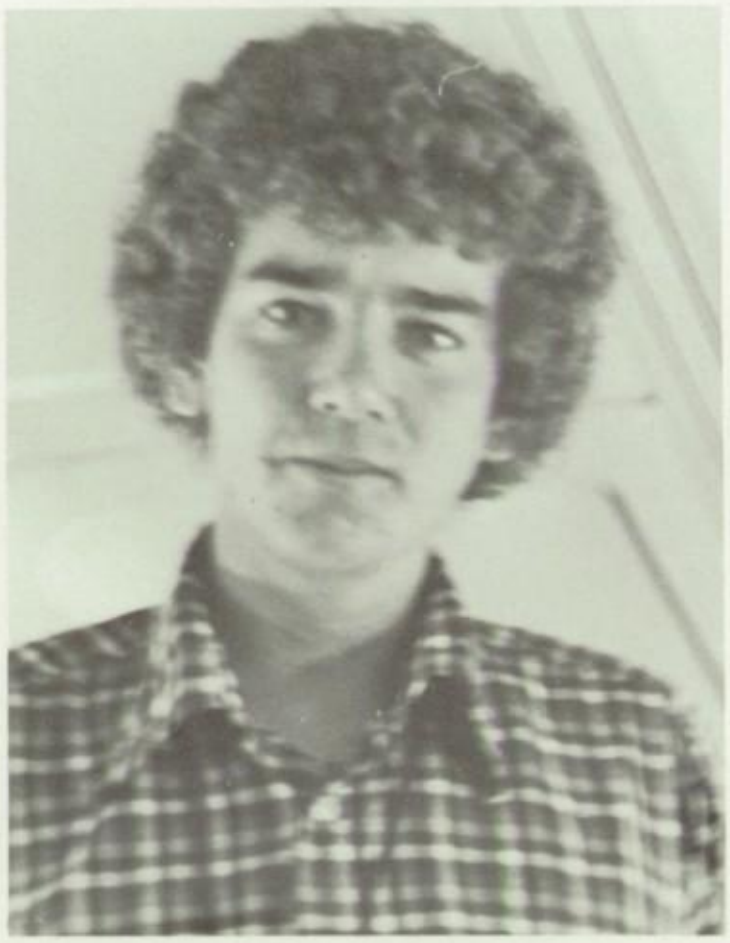
Under the theme of "You've Got A Friend," the Sophomore class sponsored the Senior Mother's Tea, an annual event in which the mothers of the Seniors are honored. Susie Gort resided as Mistress of Ceremonies, introducing the entertainment which consisted of a few selections by the band and a hilarious Chinese rendition of "The Three Little Pigs" put on by members of the Sophomore class. After enjoying cake and icecream, the Seniors relaxed with their mothers, waiting anxiously for the dolling out of Senior poll awards. Following the program, Kelli Sybesma sang the class song, "You've Got A Friend." Although the Tea is a simple event, the Senior class appreciates the time and effort put into it by the Sophomores.

Jr. Sr. Banquet

Entering the chapel on May 2 1980, was like entering 100 years in the past, into the "Old West." A general store, an old saloon, the old fashioned kitchen, a stable, and a view of the Grand Canyon during a sunset, all added to the special feeling of being a part of the Old West. Wonderful memories were created as the evening flew by. The announcing of a Senior Poll, taken by the Juniors, was done by the Master and Mistress of Ceremonies, John Van Vliet and Loretta Ohls. A slide show of the "Dales" was shown and provided the audience with many laughs. A play given by the Sophomores was also a part of a very excited evening, which we will never forget.

"The Old West"

Senior Trip



San Francisco

With several problems solved and behind them, the Senior class of 1980 ventured to their destination: San Francisco. Leaving early in the morning from school; the Seniors arrived at Ontario airport and boarded the PSA plane which would whisk them away to the foggy city. Once in San Francisco, they jumped on sight-seeing buses which took them through a tour of the second largest city in California. After the tour, they were dropped off in Fisherman's Wharf to begin sight-seeing on their own. Riding the cable cars, watching mimes, and buying souveniers were just some of the things to do and see. The day of excitement and adventure rapidly came to a close and the group of tired Seniors were taken to the airport. Once aboard Air California, they relaxed and enjoyed the remainder of their trip.

Graduation

The beautiful sanctuary of the El Dorado Park Community Church was the setting of this year's commencement exercises. Led by the Junior escorts, Jeanine Brands and Dave Bush, the graduates filed into the traditional strains of Pomp and Circumstances, and climbed the steps to the choir loft. The A'Cappella Choir sang, "Jesus the Very Thought of Thee, and Gaelic Blessing." The Co-Valedictorians were Edwin and Eric Goodhart and they addressed the assembled group. Then Mr. Van Hulzen spoke to the graduates about the "Lies of the world." After the graduates received their diplomas they filed out and mingled with people and excepted their congratulations. Later that evening they left for a night of fun at Disneyland for Grad-night.

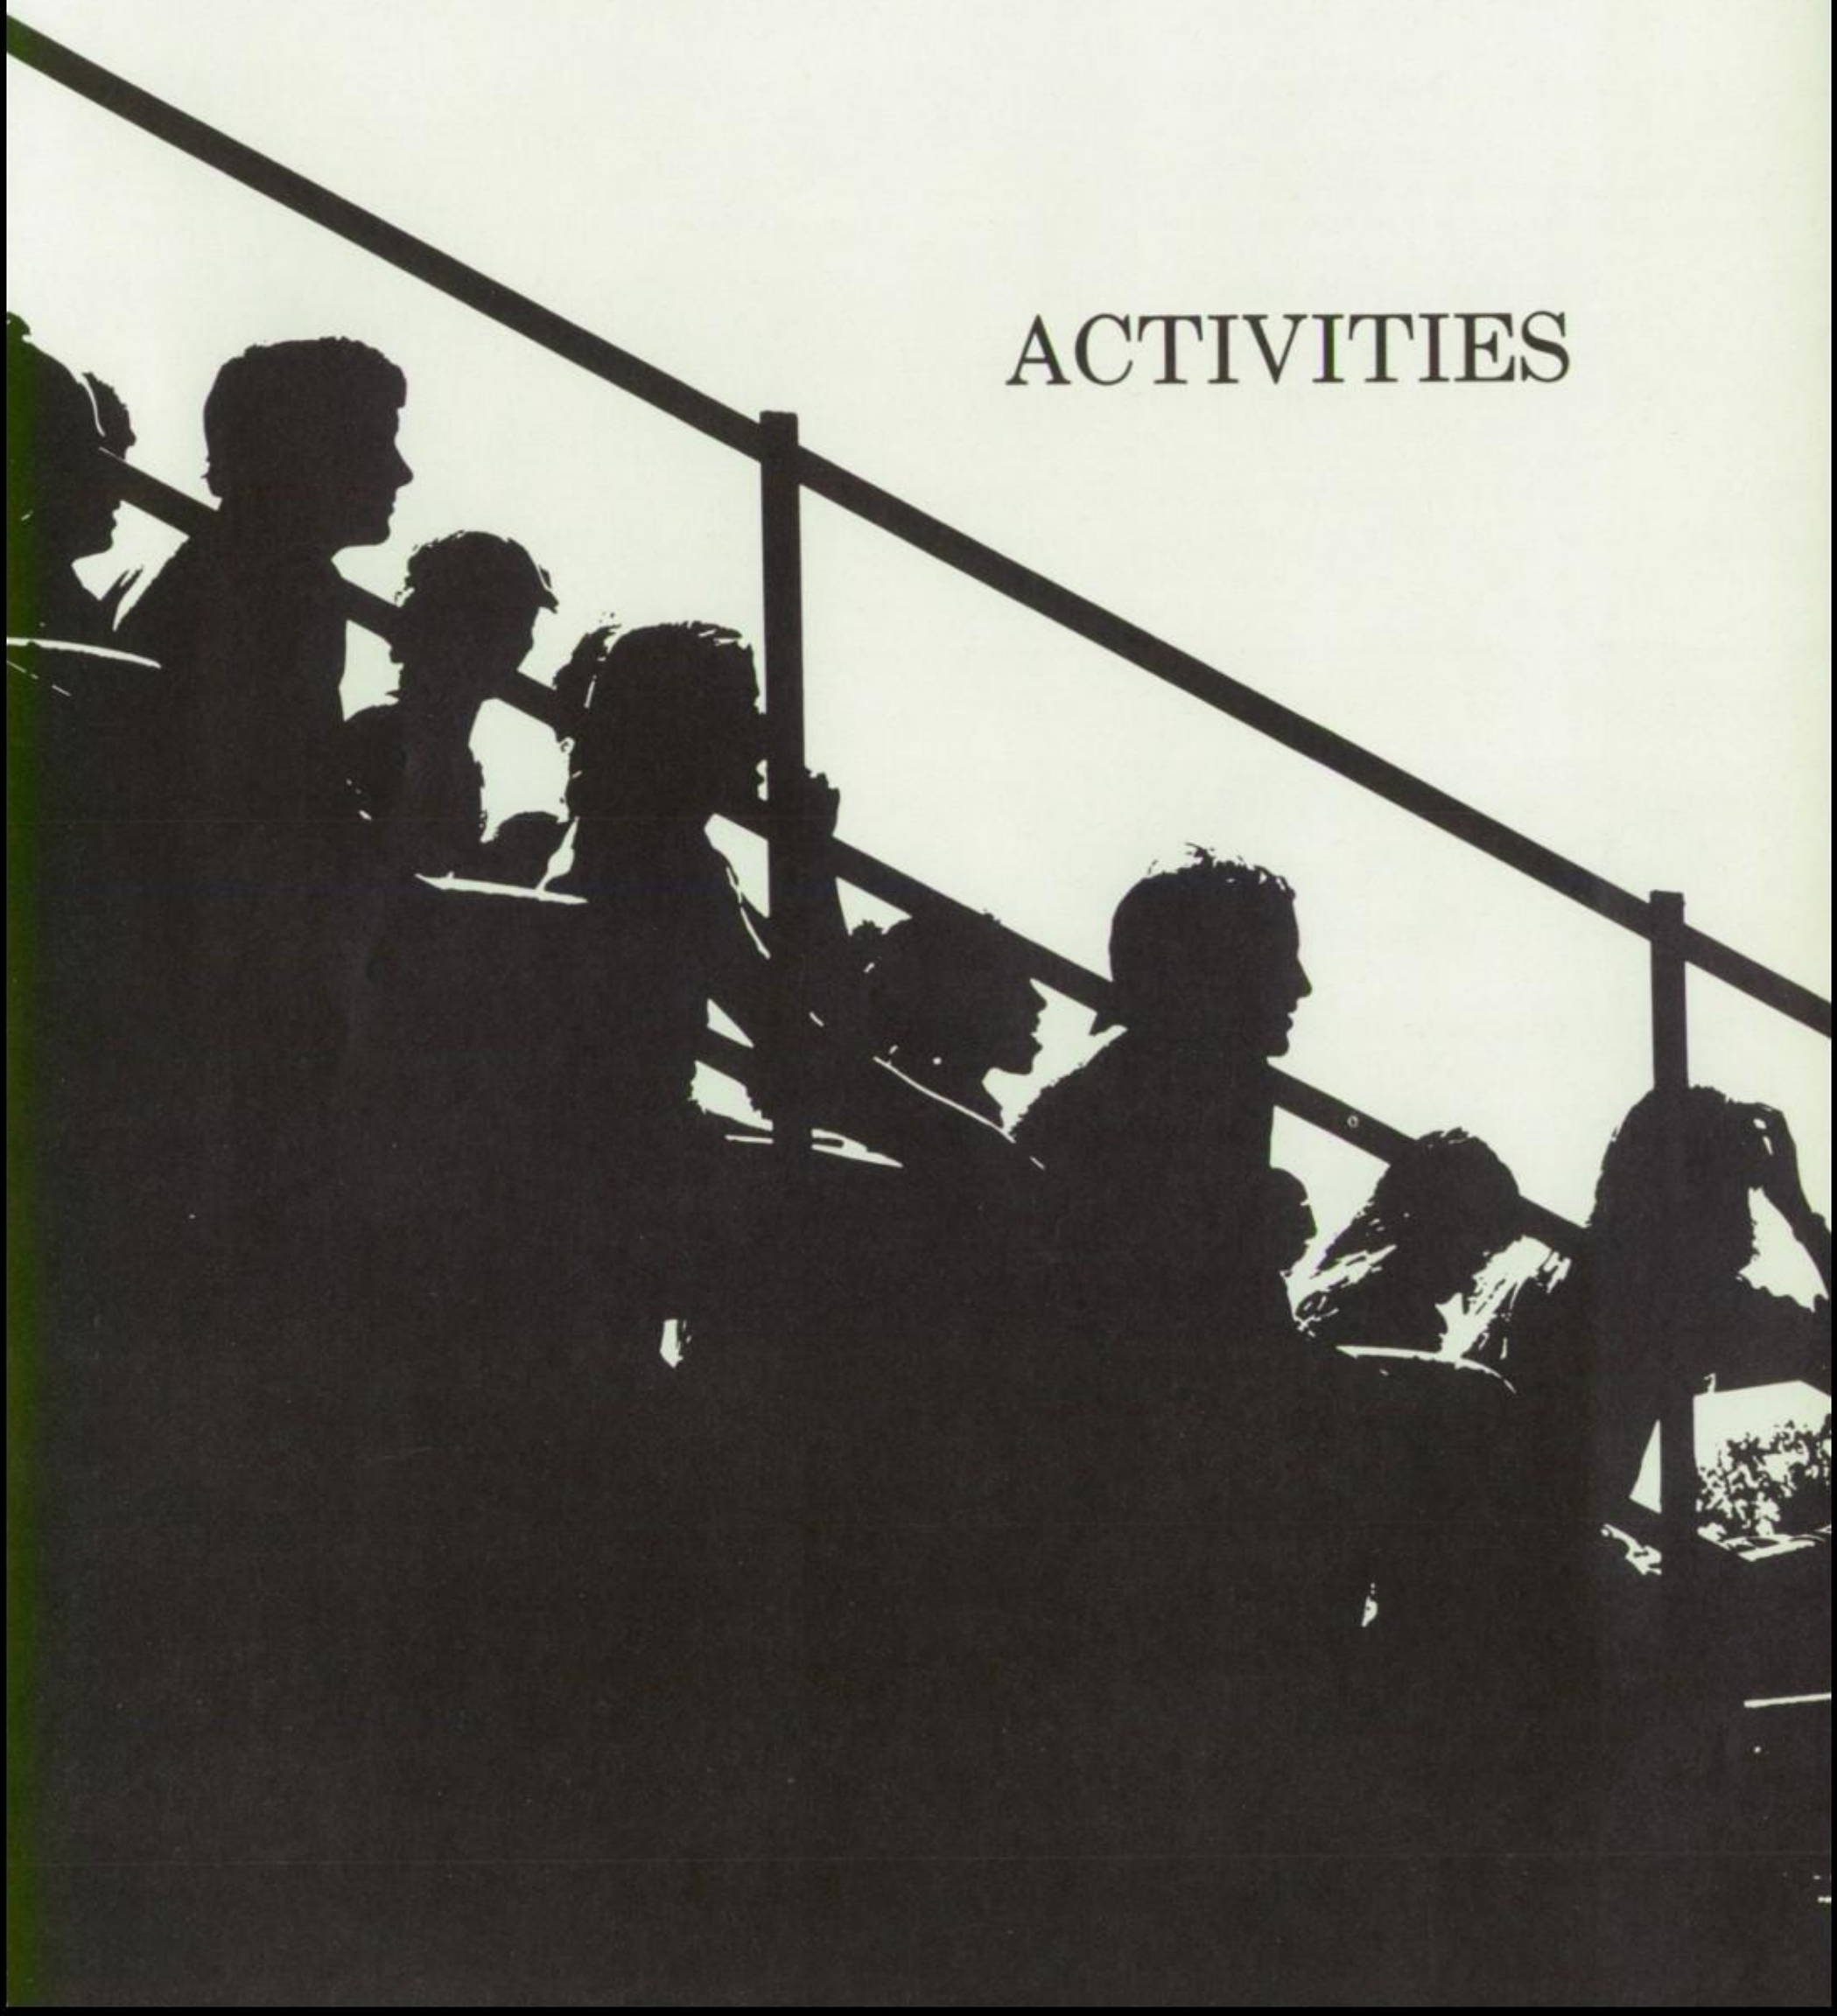
ACTIVITIES

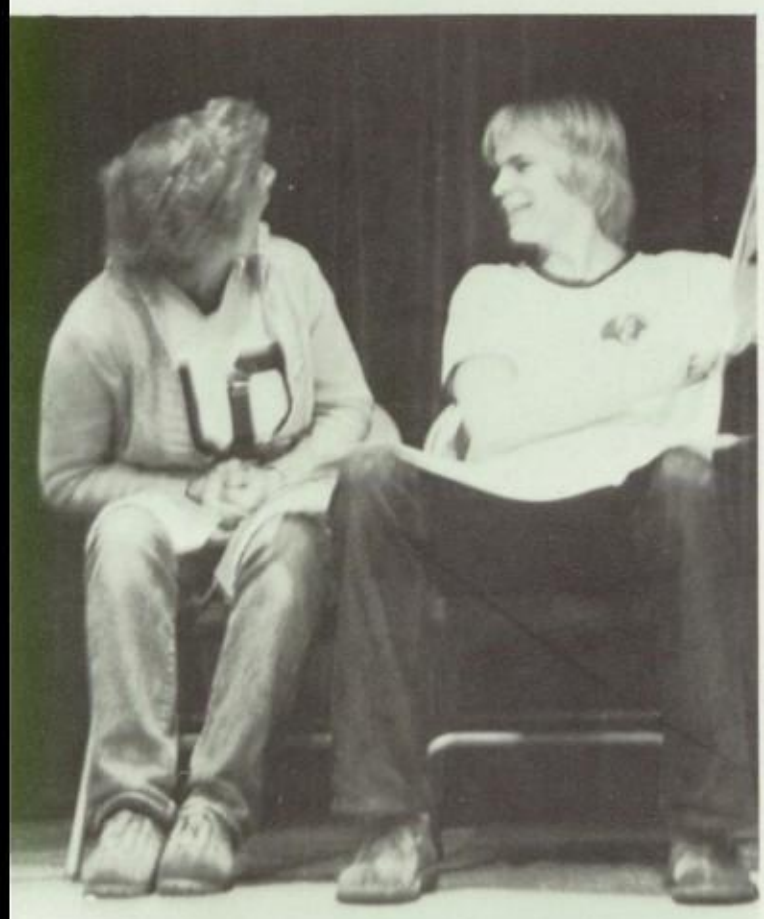


Harvest Festival

The Harvest Festival is an event which is planned weeks in advance by the Mother's Club. This year's Harvest Festival was on October 12, preceding the La Baptist football game. A delicious chicken dinner was the perfect cure for anyone who got hungry after trying their luck at any one of the numerous game booths. But besides the chicken dinner, there was also sloppy joes, burritos, cotton candy, and plenty ole bolen. A computer picture, a goldfish, stuffed animal, or some baked goods were just a few of the many things that participants went home with that night.

Twirp Week

Twirp week has become a tradition at Valley. The duties of the guys become the responsibilities of the girls. Throughout the week the build-up of Valentine's Day is branched out to several activities—the selling of candy hearts, Valentine grams, voting of Mister and Miss Irresistable, the Couplets Game, and the final event: The Sadie Hawkins dinner, with the theme "The Old West." Couples came dressed accordingly. Prizes were awarded to the best dressed as well as the best design for the heart with which the girl tagged her man.



Mixer

This year's Mixer was another success as Valley's students ran out to the field ready and enthused for the class competition. It started out with the formation of the VCHS in which the Juniors completed their "C" first. As soon as everyone got seated on the bleachers the real competition began. The biggest events of the day were the tug-of-wars, which followed the obstacle course and Circle Race. Everyone gathered down by the mud pit to watch the classes battle it out over the rope and into the slosh. The games were concluded with the announement of the Juniors coming up in first place. And so the Mixer ended the school day in a great way to get everyone psyched up for that night's game.

Pep Rallies

As in past years, the cheerleaders really tried to get the student body involved in supporting our athletic teams. Before every big game, students gathered in the gym for a pep rally. When anyone at Valley thinks of a pep rally, they think of cheering, yelling, and fun. The skits, games, and other events between the players for that night's game get the students to see who is involved. A lot of people have come to support our games because of the efforts of the cheerleaders in Pep Rallies.

Fall Plays

Something new this year was an addition to Valley's drama department, under the direction of Mr. Cole, Mr. G. Sjoerdsma, Mr. R. Sjoerdsma and Mr. Te Velde. Three plays were put on by the combined efforts of each class. **Shut and Bar the Door, Transfers,** and **The Ugly Duckling.** Although there was only a handful of stars and starlettes who appeared on the stage, many were behind the scene with make-up, props, sets, and lighting. With the help of everyone, each of the plays was a success both of the nights they played. All in all, the fall plays were a successful branch in Valley's curriculum.

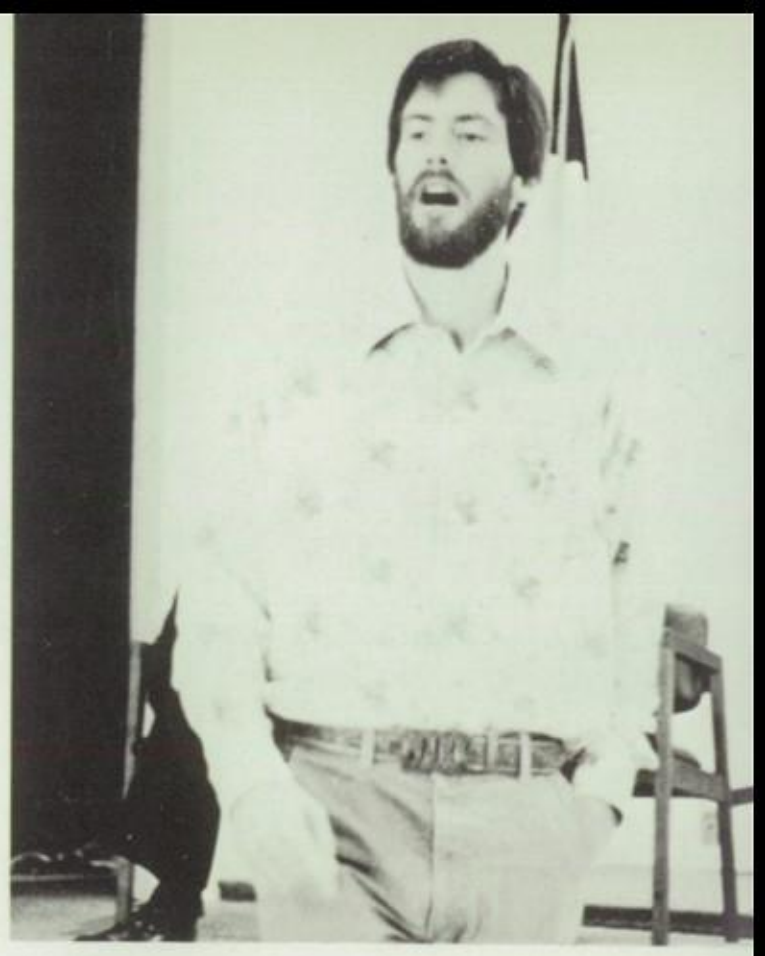
Special Assemblies

This year's special assemblies included a multi-media production which pointed out that you can still have fun while being a Christian. Other things included talking to Congressman Lungren which gave the Juniors and Seniors new political insight. We also heard a Michigan Christian high school band play several songs for us. The last day of school the Carpenter's Workshop, a college group from Minnesota, did dramatic parables based on the Bible. Everyone enjoyed these skits which make a perfect ending for the school year.

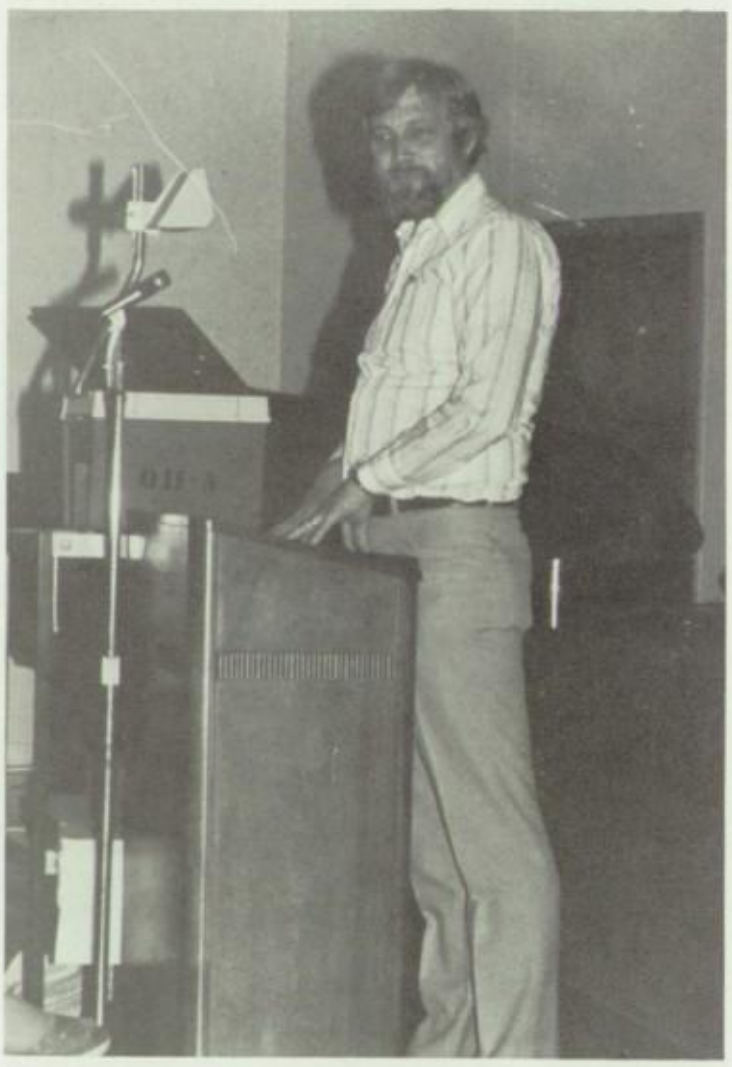
Christmas

Christmas is a special time of year in which we give special thanks to God for all the many blessings He has bestowed upon us. There are many ways in which we can thank and praise God, especially by our voices. The A'Cappella and Madrigals, and other choirs expressed their praises through the singing of various songs. Even the band praised God by the music that they played. It was a memorable time for all those who listened and took part in the program. With these being only a few blessings, we realized how great our God is and how much love He gives us.

Chapel



Wednesdays are known to Valley as "Chapel Day." Time is set aside for both student body and faculty alike to gather and worship our Father. This is done in many different ways ranging from a film to one of the local pastors coming in to talk to us. Toward the beginning of the year the entire school went to the Moody Institute of Science. There also have been many different choirs which have performed for us. In all these ways we can learn that in anything we do, we can praise God and show His glory to others. We would like to thank Mr. Cole and his committee for bringing to us those different programs to help us worship together as a school.



"SAS Banquet"

Toward the end of each school year, the students who do exceedingly well in academics are along with their parents, to the Scholastic Arts Banquet. Dr. Bootsma presided as Master of Ceremonies for the evening's festivities. It opened with devotions and prayer which was followed by dinner served by the Mother's Club. The Induction Ceremony for new members took place that night also. Following the ceremony was the presentation of awards and honors to some seniors. There was also a skit "The Star Spangled Girl" which ended the evening.

G.A.A. Banquet

The Girls Athletic Association Banquet, held at Lakewood Baptist, was the mark to end a victorious year of girls athletics. After a delicious buffet, a film was shown about one of our own athletes, Barb Reinalda, pitching in the Pan-Am. softball championship. Then, came the awards. Not only did we have our own awards, but also, with all your championship teams won many of the league awards. To top off an exciting evening, the announcing of the outstanding Senior athlete, Karla Recker, took place. It was a perfect evening for coaches and athletes to always remember.

With the loss of head football coach Gary Van Hulzen, no one was quite sure how the season would turn out. Valley's football team was in a haze of changes and wondering. Enter Coach Wunderly. Taking full command for the first time, he made a few changes and for the first time in a long time the Valley men showed their opponents their "veer" offense and "4-4" defense. Opening play with Excelsior, Valley trounced the Pilots 19-7 and never looked back. Dropping games only to Army-Navy in pre-season and to Brethren in the season opener, the Crusaders began to turn heads especially with a stunning victory against defending Olympic League Champions Ontario Christian. Stopping the Knights by a 17-0 deficit, the Crusaders looked toward Whittier, Homecoming, and a possible first place tie. But that's where the magic stopped. No one will ever forget the winning field goal for Whittier in the last 7 seconds or stand off against Kern and the final score on the scoreboard; Kern 16 Valley 13. Valley's hopes again were shattered. But for a time of rebuilding and a time of changes, Valley's football team stood high and proud.

A hard earned rebound, a quick outlet pass to the wing, hit the man in the middle and run, run, run. This was the 1980 Crusaders when things were going right. A bad pass, a forced shot, a missed defensive assignments. This was the Crusaders when things were going bad. Happily, things went right more often. This years team went to CIF but lost the first game.

Although the soccer team wasn't as strong this year, they still hung tough throughout the season. Few people realize the skill, coordination and strength needed in the game of soccer. Eighteen young athletes gave their all to the team this year, bringing home to Valley six victories. Coach Wind has done a fine job with the team. Without his excellent coaching and guidance, the team would not be as strong as they are.

Varsity Baseball

With seven returning seniors and experienced juniors and sophomores, the crusaders took the field showing everyone what they're made of. Starting off slow in pre-season, the Valley Sluggers went on to win four consecutive league games. They turned in a league record of nine victories and 3 losses, only one game short of a first place finish. For the first time in eight years, the crusaders went to C.I.F. competition. Playing a tough team in first round action, the Crusaders lost to Filmore, but everyone agreed the 1980 baseball team at Valley was one of champions.

Varsity Track

Under the coaching of Mr. Gregg Sjoerdsma and Mr. Veltcamp, the Valley Christian mens track team placed fourth in the Olympic League. The thirteen members competed in seven meets, winning four and losing only three. Valley has never been very strong in the area of track, but after a such a successful season, they are out to prove that they can become number one.

Women's Cross Country

The sport of Cross Country is agonizing. Determination, endurance and strength are all part of the sport. Valley's Cross Country team proves that with a lot of practice and the combined qualities above that they can tough-out the courses which are demanding, and at the same time compete with other opponents. Although the men only managed to bring home two victories, they have proven to be a strong team, who undoubtedly in the years to come, will go undefeated. The girl's team is rapidly growing and even though they achieve no wins, they will, like the boys, become stronger.

Varsity Volleyball

Volleyball has come and has gone once again. At the beginning of league play, the record stood at 3 wins and 4 losses. Although the girls lost more games than they won during pre-season, this did not stop the determination of the team to become league champions. Each player went into every game thinking only of winning but also showing good sportsmanship. Ending league play with a 10-2 record, the Valley Volleyball team really surprised a lot of people. Going into CIF play, Valley tackled Rosemead with a 15-12, 17-15 game. It was not a bad season after all. The girls showed a lot of Hubba-Hubba at working for what they wanted and for what they almost got.

Memories are all that are left for this years girls basketball team. After last years players left, no one thought that the girls could make it to the finals. They did it and with all the class a team could have. At the beginning of league, the record stood at 7 wins and 4 losses. At the end a total of 16 wins and 5 losses. In CIF the girls went to the finals and played Ontario. Although they lost they played excellent. Their true crusaders and proud.

Being undefeated all year, made the girls on the Valley Track team proud to be runners. With coaches like Miss Schutten and Barb Brown, how can you help but win! Practicing hard every day, giving out all your energy and then finding out that you have to give a little more, running together, and having fun are all part of being on the team. Placing third in CIF 1A Division, made Valley noticable and proved that we have some excellent runners.

Another great season has come and gone. Under the superb coaching of Mrs. Dykstra and Greta Jones the Varsity softball team ended the season with a 10-2 record. Once Valley started to work together, they found out that winning was as easy as sleeping. Except for two very tough games against LA Baptist and Ontario, Valley pulled the rest off with east! Coming in second place in league allowed Valley to play in CIF competition. Although they lost the first game against Inglewood, Valley played an excellent game and made some super plays. It proved to be work well done.

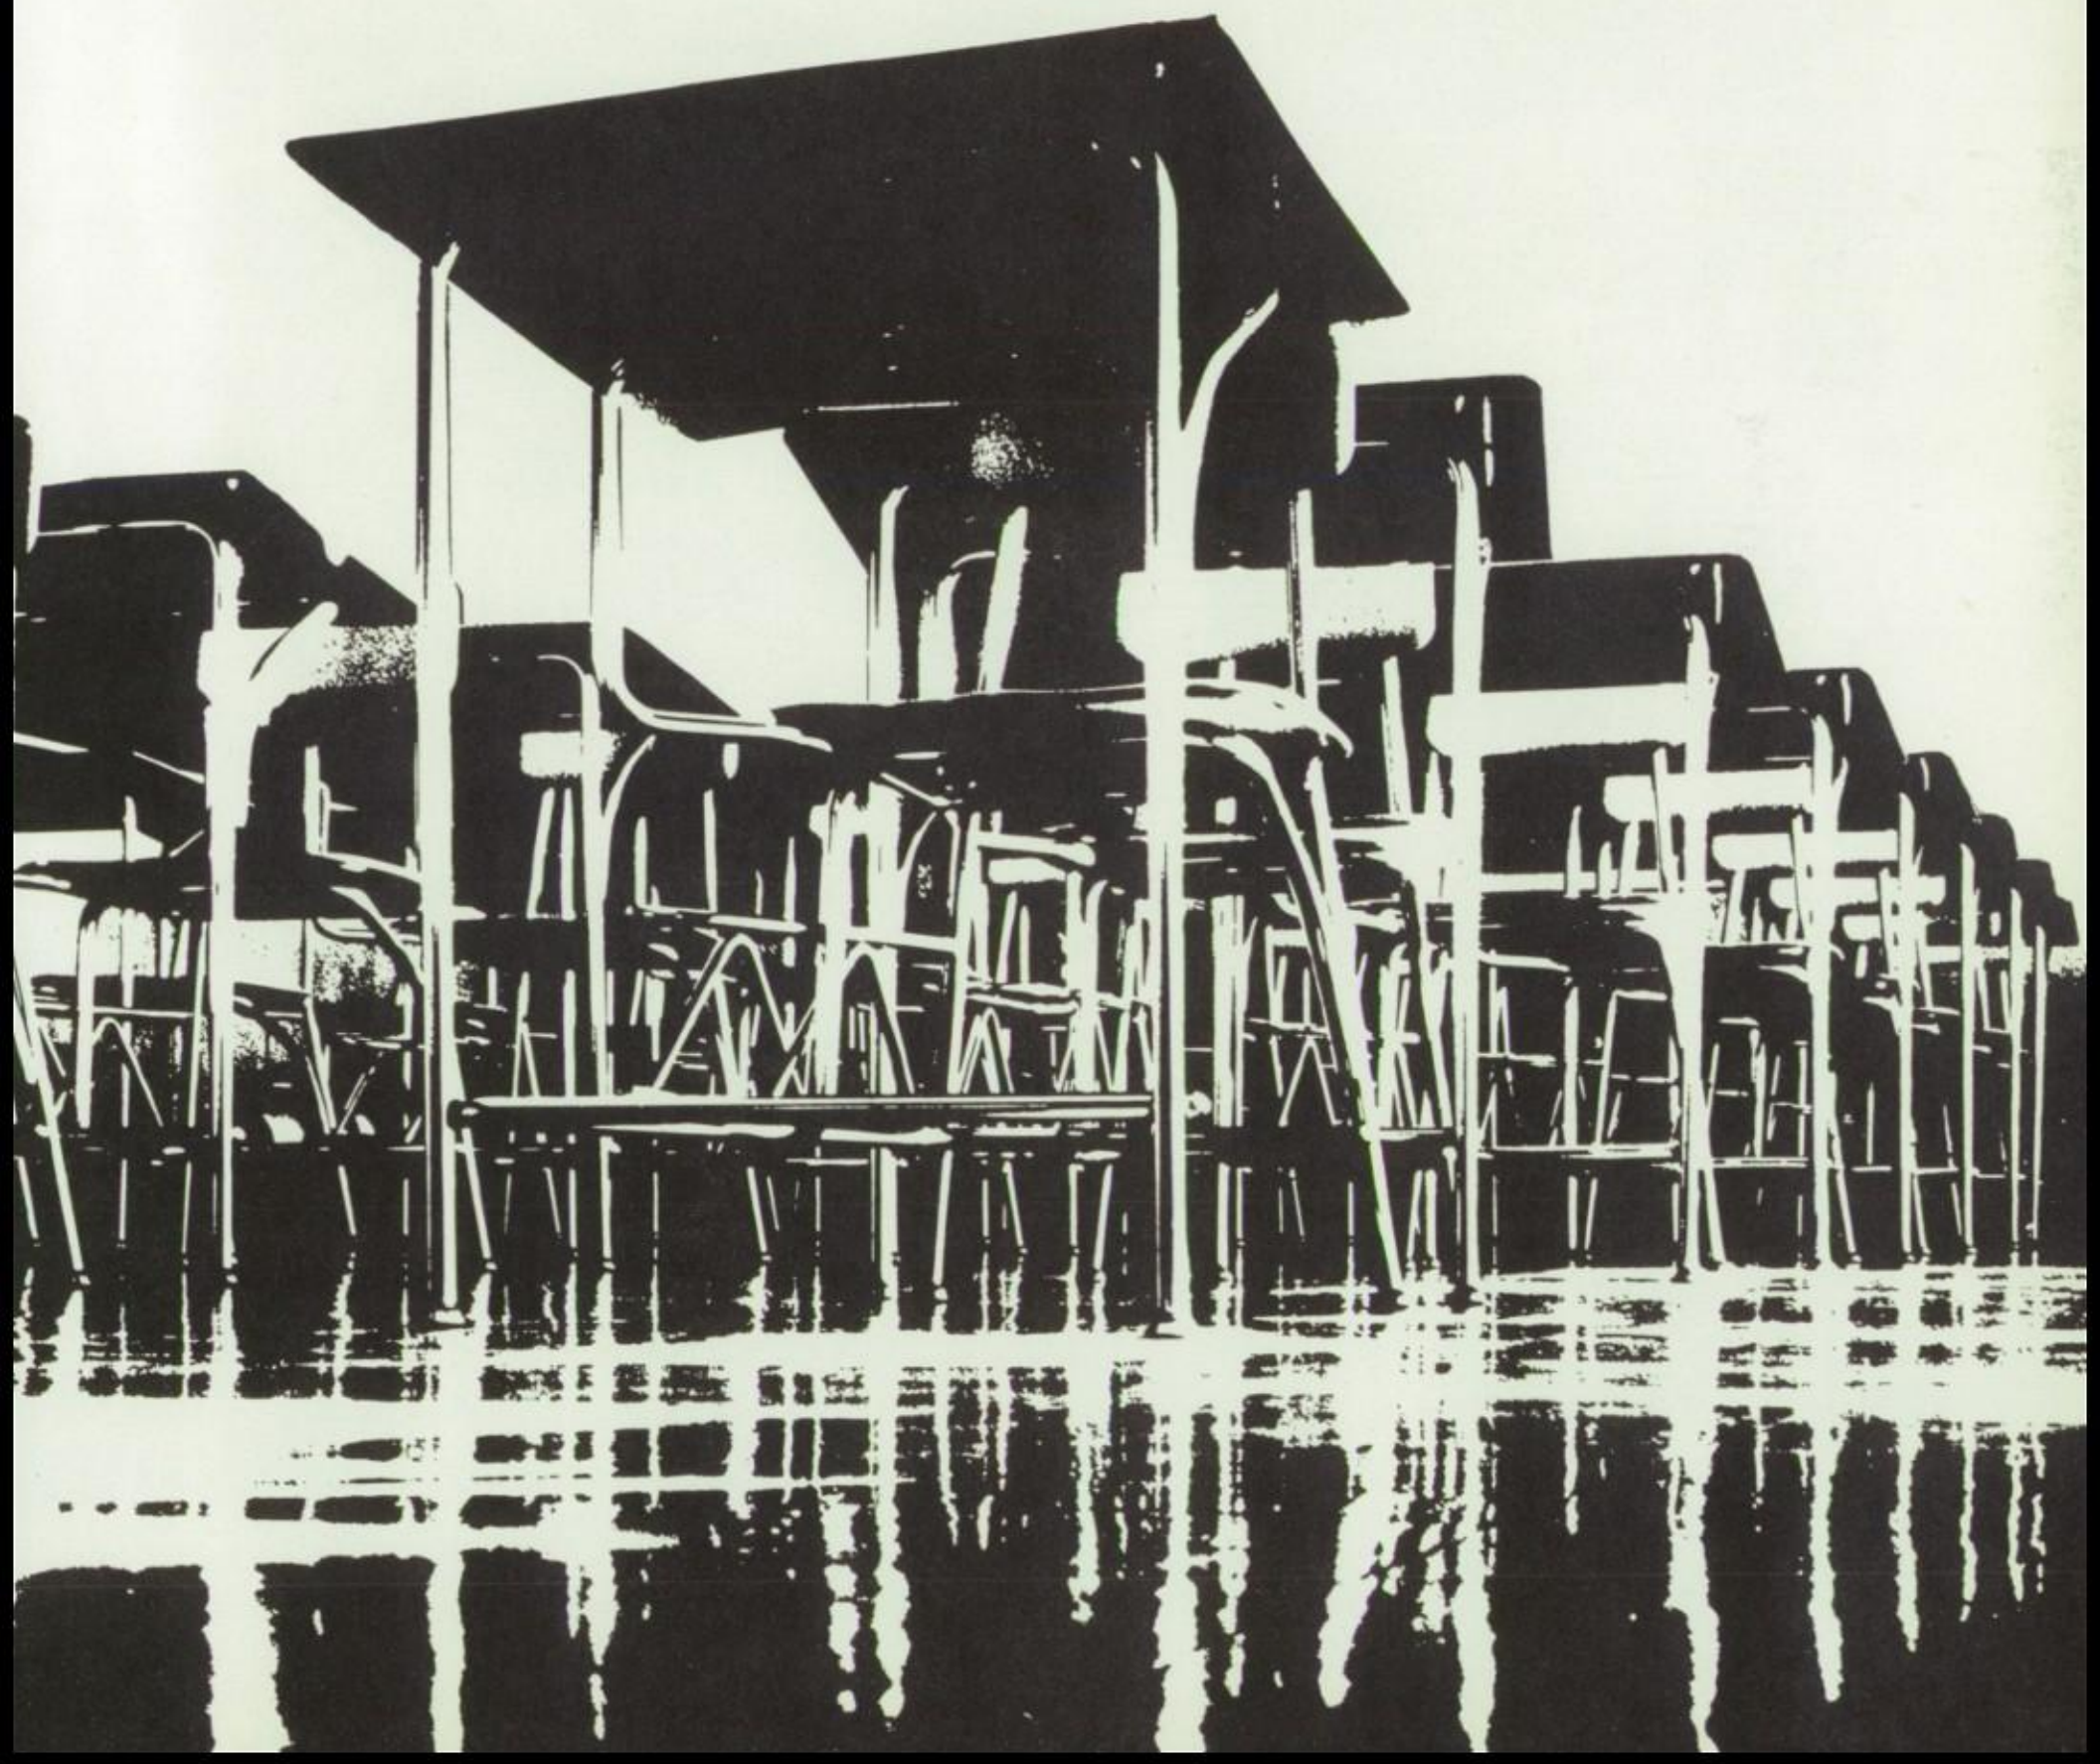
ACADEMICS



Math

Even though Math can be a dull, run of the mill subject, teachers like Mr. Hugen, Mr. Le Febre, and Mr. Baker bring new and interesting concepts into the subject and make learning fun. Algebra classes are well taught by Mr. Le Febre and Mr. Baker, and are fully explained so that each student can understand it. Geometry, which can at times be confusing, is, with the aid of Mr. Hugen, a unique and exciting challenge each day. All three men are well respected by the students and seem to make the impossible simple.

Indeed we can't comprehend God's wonders but with the science classes and teachers we can understand and appreciate his creation a little more.

Business

A secretary, bookkeeper, or clerk all have one thing in common: They all took classes in business while in high school. Shorthand and Accounting are mainly for students whose future profession will be going out into the business world. The typing classes help you obtain a better job which you otherwise can't get. These classes will help you in your career in the Business world. Classes that will help you will consist of Typing, Accounting, Recordkeeping, Filing and Shorthand. All in all business classes are very rewarding.

A branch of the English Department is foreign languages. German and Spanish classes introduce a student to a new style and structure of language itself. They also had many extra-curricular activities which included crafts, parties, and the celebration of Oktoberfest. Two of the new teachers here at Valley this year, Ms. Logterman and Mr. Te Velde, help to liven the classes through storytelling of experiences they've encountered in Spain and Germany.

History

The History Study classes at Valley take the students on a continuous tour of the world. Freshmen classes show the students what is where and how to get there. Sophomores get a broad perspective of the world through World History classes. Juniors begin to learn more in detail about our country, with classes ranging from Colonial History to World War I to Carter. Seniors prepare themselves for their upcoming opportunity to vote through the diversified government classes. Without classes like these, students wouldn't understand the accomplishments of America in relation to the rest of the world.

Bible

What sets Valley apart from other schools is the word Christian. The Christianity which this school is built upon is taught through the Bible classes. These classes range from an introduction to the studying of the basics of the reformed doctrine. Some classes emphasize the past, and others put their main concern on the future, and what a Christian's place will be. The Bible classes want to stress the importance of their worth and try to cover every aspect of life the student will encounter after graduation.

Counseling

A very helpful person in a teenager's life is someone who he can go to for guidance and assistance. This is the role that Valley's counselors play. Mr. Van Woudenberg and Mrs. Wilkie share the job of listening to, advicing, and counseling those students who come to the counseling offices. Another very important job of the counselors is to schedule, and re-schedule, each student's classes. This ever-growing branch of Valley is of extreme value to everyone in high school, and also to those with intentions of going on to college.

A Cappella Choir, Madrigals

This year's A'Cappella choir performed in various churches, festivals, and concerts, and for each performance their theme was "God Is My Rock." Mr. Clousing's energy and dedication was felt by each of the members, and it was evident in their performances. The continual rehearsing of various songs always proved worthwhile. A further expression of feelings was shown through the movements "The Light." As the year drew to a close, a "Deep Peace of Christ" could be felt throughout. Thank you to Mr. Clousing, who will always be loved and remembered.

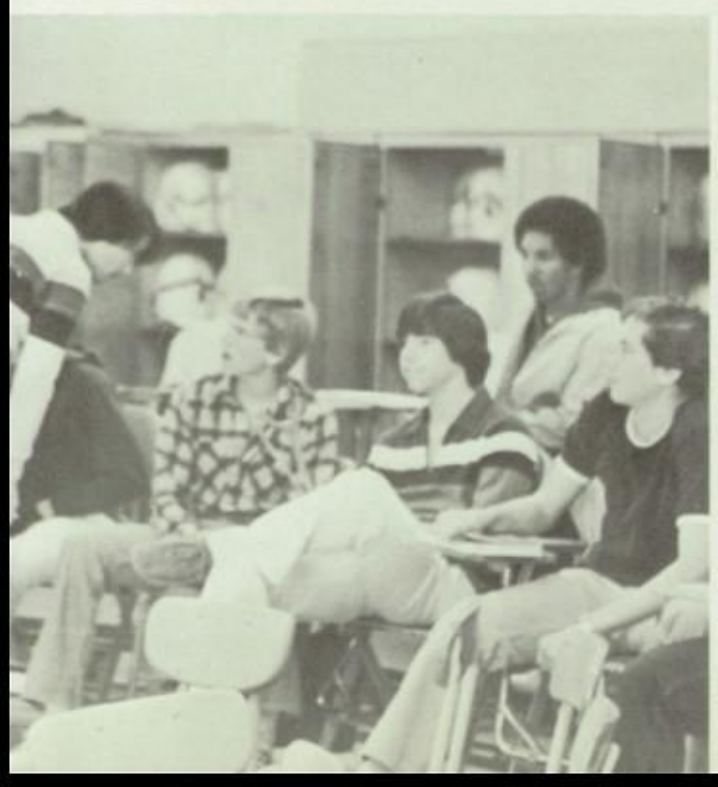
Mr. Clousing, Dave Snapper, Sandy Sybesma, Greg Bootsma, Rod Struiksma, Brenda Simons, Liz Dragt, Kent Broersma, Dan Goodman, Jeanine Brands, Carolyn Le Febre, Terri Offringa, Linda Prins, Jerry Lambooy, Lynette Zonnefeld, Dawn Van Weerthuizen, Rob Balkema, Jeff Hale.

The Valley Christian Madrigals are composed of sixteen members; Eight men and eight women. Under the leadership of Mr. Clousing, the Madrigals make any song a beautiful work of art. The Madrigals brought the beauty and true meaning of Christmas to people by performing in such places as Knotts Berry Farm, the Dorothy Chandlier Pavillion, and the Holiday Inn. As well as singing in the spring and winter concerts, they sang at a festival. The children of the Children's Hospital of LA also had their spirits lifted by the singing of the Madrigals. This group has the charm, sparkle, and talent which can manage to make everyone happy.

Chorus

Learning to blend your voice with others is the main goal for those students who are in the Girls' or Men's Choruses. The many days spent rehearsing songs were all in preparation for their participation in concerts and rare Chapel performances. Many of these students will use the knowledge acquired in these choirs to go on to A'Cappella and possibly Madrigals. But whatever the reason, Girl's and Men's Choruses were a very worthwhile part of the member's day.



Band

MR. GRAY

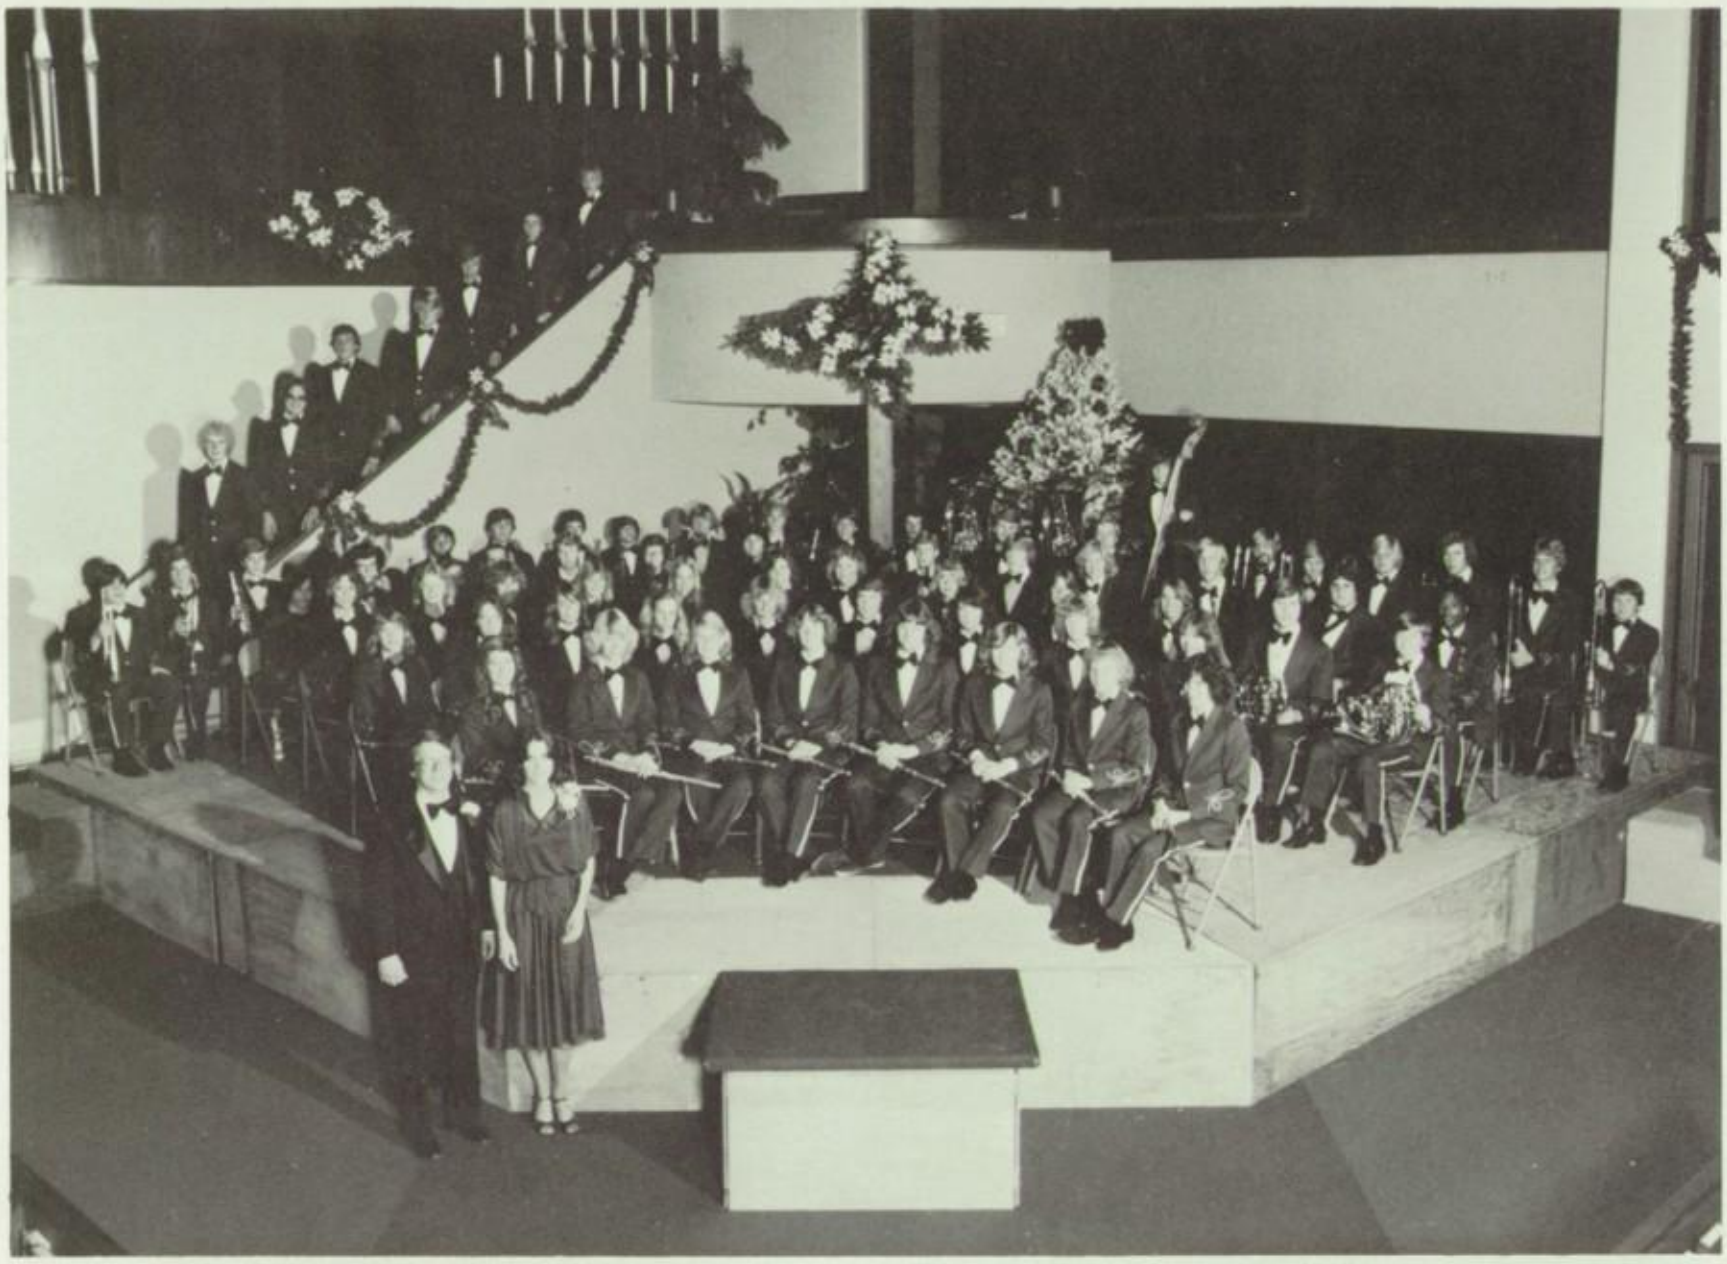
Band director



To be a member of the Crusader Band a person must have a lot of enthusiasm. Halftime shows, marching in numerous parades, going to the All-Western Band Review, playing in the Christmas and Spring concerts, and even going to Knott's Berry Farm are just a few of the many things the band was a part of. Directed by Mr. Gray, with Linda Offringa as drum majorette, the Crusader Band never fails to represent our school in a Christian manner. Though it may be small in number, the Band is overflowing with pride. This pride, and many hours of work, are evident in their songs.

Pep, Stage, And Handbells

Just a few years ago, two new bands branched out of the Crusader band. The pep band is aimed at encouraging enthusiasm for basketball games and pep rallies. The stage band entertained their audiences with many performances at numerous different occasions. And this year another group branched out of the band-the Handbell Choir. This group of girls played for such things as chapel services, concerts, and at various churches. Mr. Gray does a very good job of directing all the bands, and he is respected by all band members.

Vocational Arts

Books, pencils, and paper are not the only things that a student is interested in during the course of the school day. Learning how to cook a meal for two, how to put a zipper in, or how to make a wooden table are an inviting change of pace. These classes offer a student the chance to take a class in the areas which interest them most, but at the same time, these classes are preparing them for their lives after graduation. Art

It has often been said that a picture is worth a thousand words. That may not always be the case at Valley, but students were happy to add Art to their schedules. Headed by Ms. Logterman, Art was another example of branching out in the continuously growing curriculum. Sketches, paintings, and pottery work by some of Valley's aspiring young artists decorated the Art room. Although sometimes the finished projects were far from masterpieces, students who took Art definately agree that this class was a welcome change of pace as well as a unique learning experience.

P.E.

P.E. is fun. Not many classes can be considered "fun," but P.E. is a class that is both instructive and fun. Team sports such as flag football, soccer, and ultimate frisbee teach the students how to get along with others and unite their efforts to reach a specific goal. Physical fitness and bowling are examples of individualized activities. Individualized sports allow each student to develop his or her abilities to their furthest capabilities. On the other hand, Mrs. Brink is a lady who is always there to answer the telephone, listen to the students, and to lend a helping hand to anyone who asks for it. ORGANIZATIONS

Mothers' Club

Mothers are a very important thing in this world, just as the Mother's Club is very important to Valley Christian High School. The primary objective of the Mother's Club is to raise money for the numerous items which need to be bought or repaired. They work together on projects such as the annual Rummage Sale, and the Harvest Festival in October. Thank you Mothers, for all the hard work and long hours you have put in for VCHS.

This years staff for the school newspaper has done an excellent job in improving our bi-weekly Gazette. Together the staff worked under the advice of Mr. R. Sjoerdsma. Michael Allen has successfully done a great job as editor. The staff spent the first trimester of the year as a journalism class to learn the basics of writing down the current events into interesting reading. Along with this, there was another big improvement in the quality of the printing of our paper. Photos of events have added to the articles, poems, and other features of the Gazette. It looks as if from now on Valley will be in for a bigger and better newspaper.

Student Council

Voicing the students needs and organizing assemblies are just a few of the functions the students Council performs. They managed to raise the school spirt for the students by filling the halls with posters, banners and signs, and holding special weeks of dress prior to an important sporting event. With the honor that the girls varsity Basketball team brought to Valley, the student council arranged to show the movie "The Champ". Without the spirit and drive the Student Council holds, the student body would be nothing but run of the mill.

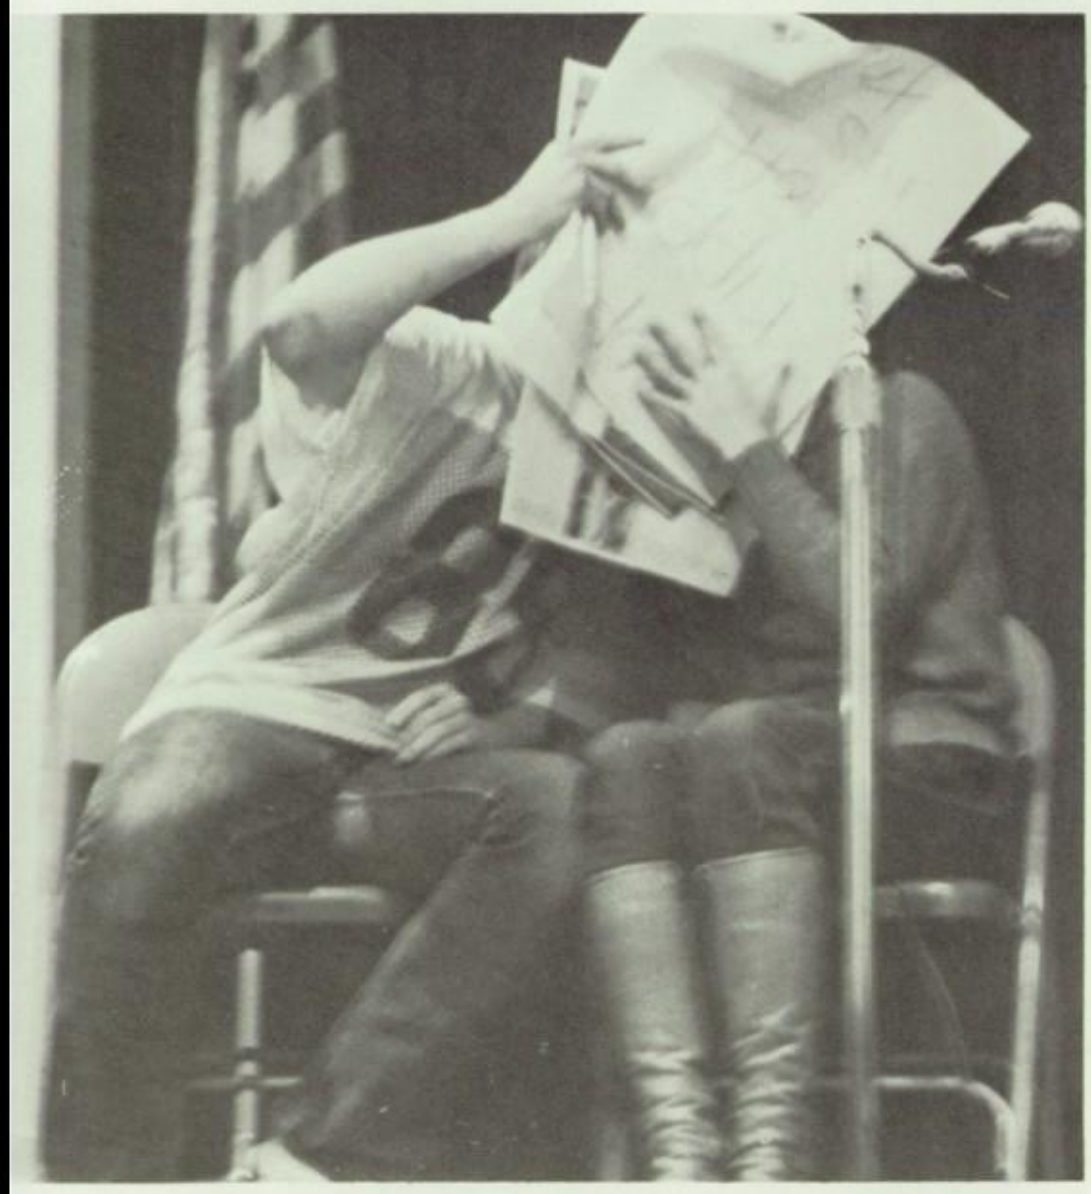
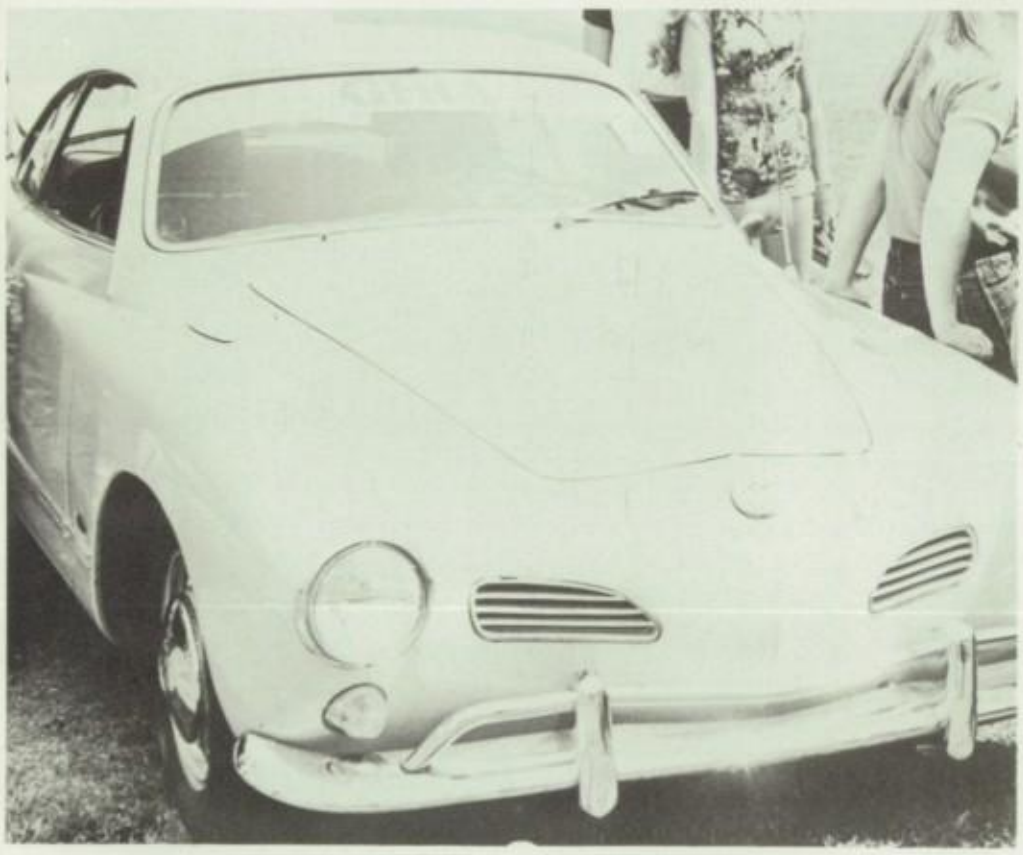
Couplet's Game

Following the tradition of the "Newlywed Game" from T.V., the student council gave us the "Couplet's Game". Kent Broersma played the role of Bob Eubanks by being the host for the games. The couples were drawn from the audience, completely unprepared. Here was their chance to see how much they knew about each other, and for some, that wasn't very much. But for the winning couples, they knew enough to win an all-expense paid trip for two to Knott's Berry Farm. The game turned out a success, and a great way to find out who's with who at Valley.



Car Show



This year's Car Show was very exciting. The Students gathered on the grass to watch the cars drive by while being judged. The cars were placed in different categories and were judged individually. The winners from each category each received a trophy. As soon as the cars were done being judged the students all went over to where the cars were parked on the grass, and made their own dicisions who they think was going to win in each category. As soon as the judging was done the students went back to class and then the winners were announced.

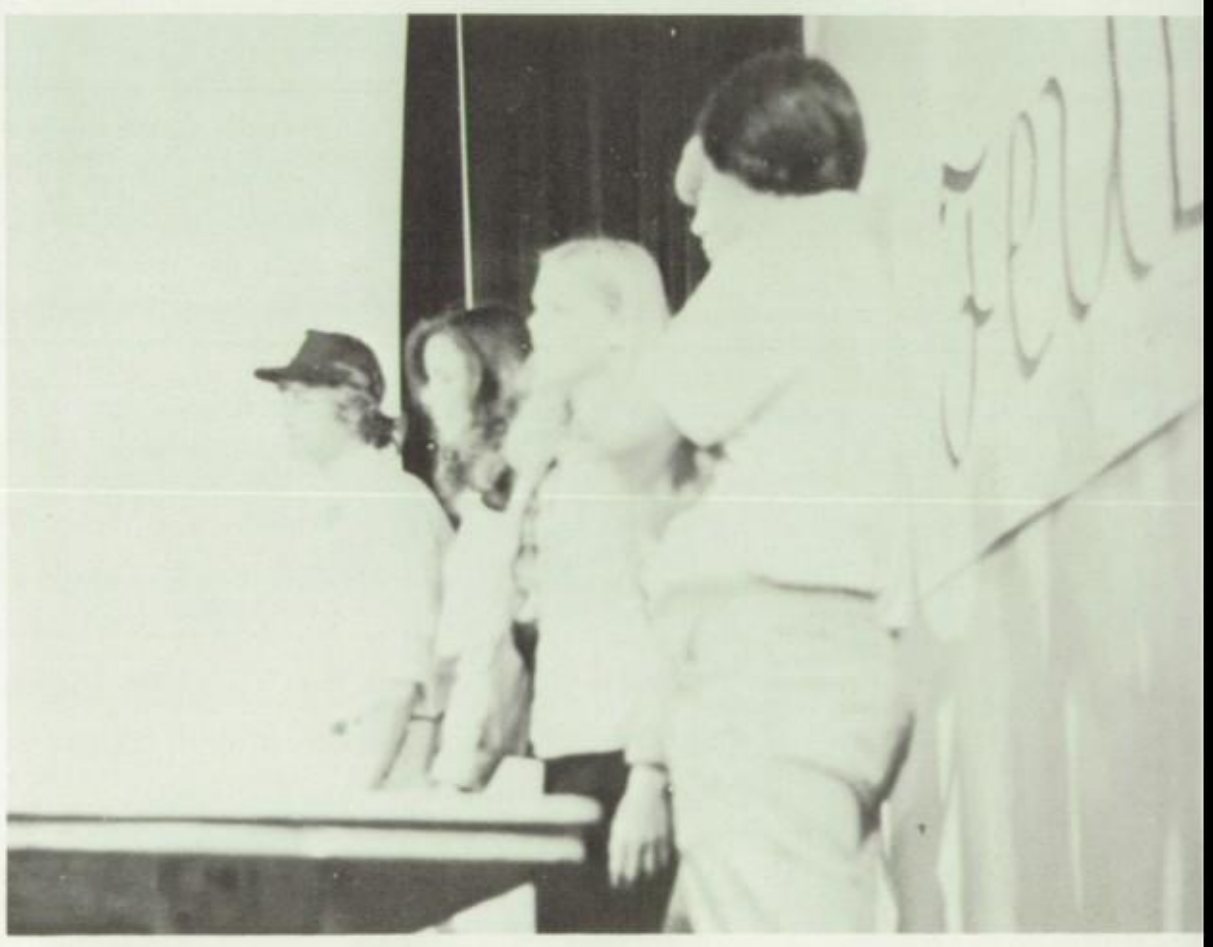
Everyone gets a kick over class competition, and that's what this game was all about. Contestents were chosen from the audience to represent their class. For the first round, the freshmen took on the seniors and came out the winners. In the second round the juniors won the sophomores. The final round brought the juniors against the freshmen. It was a close and exciting game, but the juniors took the final championship. Organized by the student council, with Jeff Hale as M.C. the Class Fued turned out to be a great success.



Chess Club

As in past years, the chess enthusiasts of Valley have met in room 28 during lunch. Although they did not compete in a league, they still had a strong competition between themselves. Rev. Knowles set up a tournament in which the players eliminated themselves to see who was the best. These battles on the board continued through the year until the champion was decided and won the title. Although it is not well-known, the chess club at Valley continues to be enjoyed by the students that participate in it.

Honor Society

Evergrowing, the Honor Society reached a number of eighty-four members this year. Once again, Rev. Boertjte sponsored the Society and Carolyn Le Febre was elected this year's president of the local chapter. Because of their excellence in academics, the students were given a banquet, held in their honor, and a day off for their annual outing. This year the Honor Society relived the roaring twenties, the Old West, and the spirit of early Mexico by going to one of Southern California's amusement parks, Knott's Berry Farm.

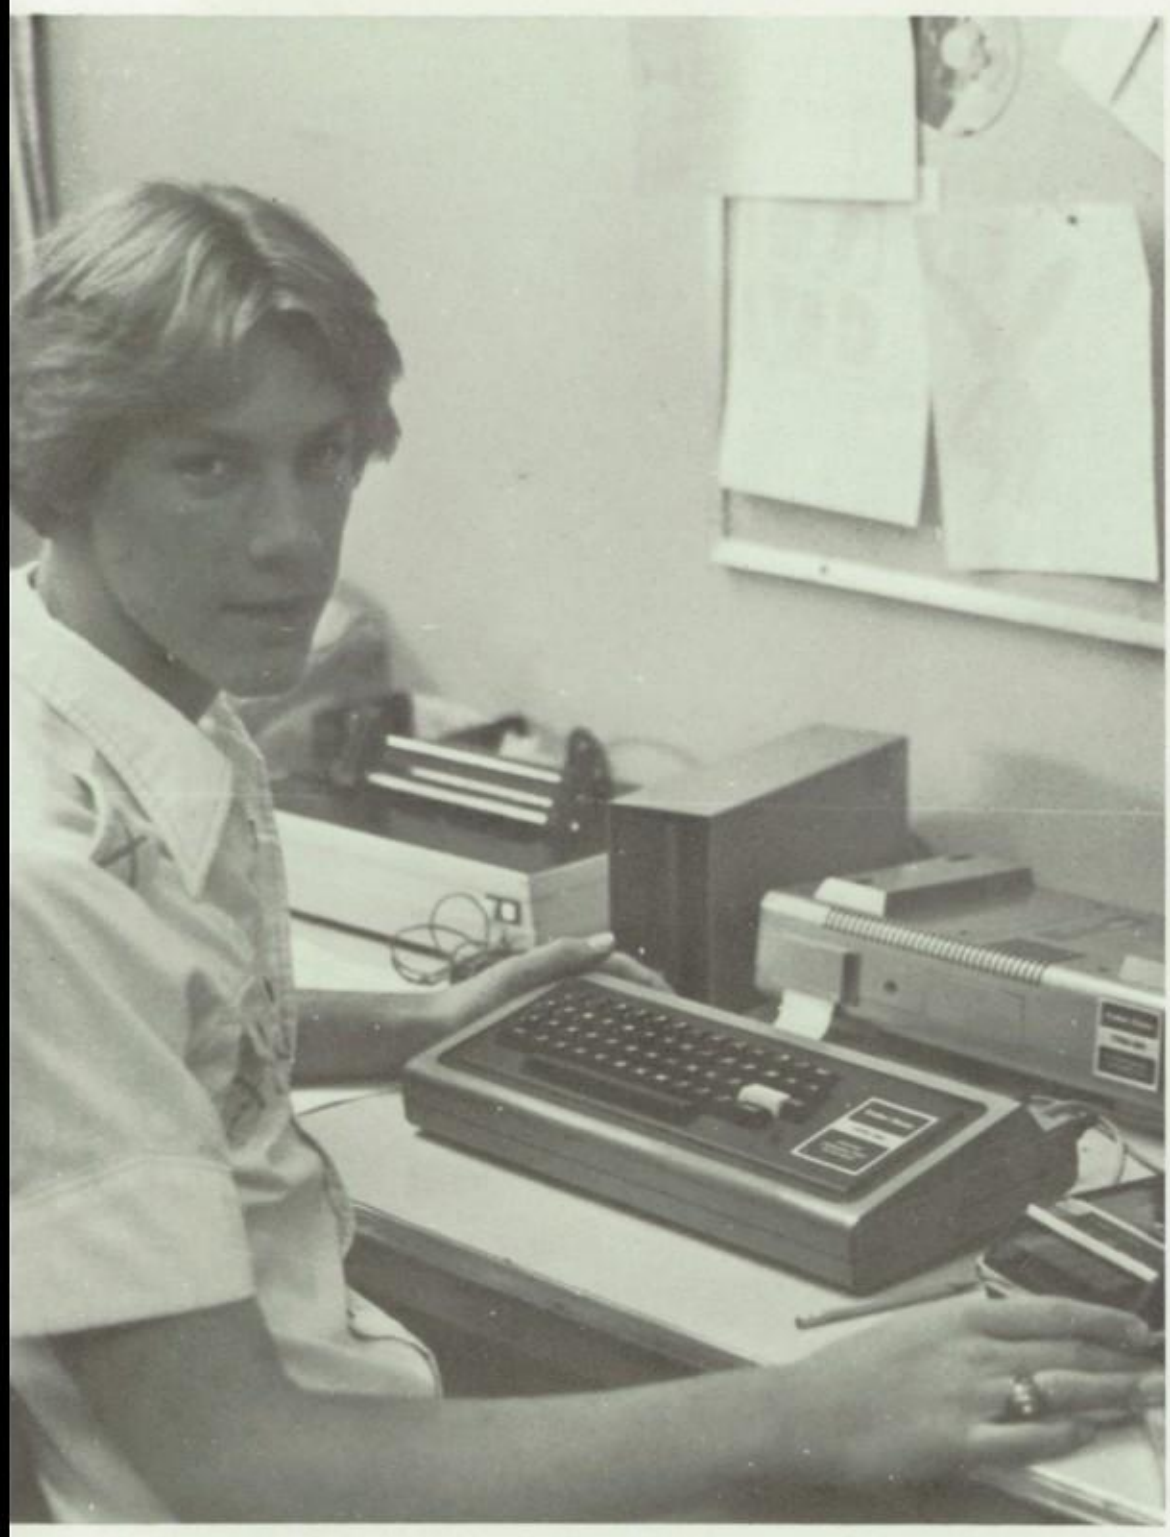
One of the most active clubs around campus is the math club. Actually, they should be called the doughnut and computer club. For they are known throughout the student body as the guys who sell doughnuts at break or the brains watching a computer readout in front of a television screen. Actually, this is only part of the math club. They, under the fearless direction of Mr. Le Febre, also visit interesting computer centes and other field trips. So, hats off to Valley's whiz kids of the doughnut and apple fritter age.



Annual Staff

The hardworking and dedicated group of students who compile the Valley Christian yearbook are known as the Annual staff. Each branch of the staff, busily and dilegently works in their own section, hurrying to meet the deadline for the book. The fruits of their efforts are eagerly awaited for the book to appear in final print. The excitement and anticipation of the student body are the rewards that they receive individually, knowing that their work is appreciated.

The Football games' half time shows have often been entertaining thanks to the drill team's efforts. Although the team was smaller than in past years, Captain Jana Vander Molen and Brenda Zwart and Laura Mouw as Co-Lieutenants have led the drill team through many parades and shows. Flag

As the other half of the cheering squad, the flag girls play an important part here at Valley. Besides cheering at all the football and basketball games, they performed in many half-time shows, pep rallies, and parades. Working hard to perform in exact time with the music and one another, these girls really showed dedication. Many experiences and memories are made while being a flag girl, and most of those will never be forgotten

This years Cheerleaders were more than cheerleaders. They were spunky, spirited, and spritzy. Their energy and enthusiasm expressed through their cheers promoted vitality and pride in Valley's teams. This year's cheerleaders also branched out in the participation of some girl's sports events. All in all, this year's cheerleaders were excellent supporters of Valley's athletics.

J.V. Cheerleaders

Just because the J.V. Cheerleaders are a little younger than the Varsity, doesn't mean that they can't do as much for building the spirit here at Valley. Always ready at any of the games, they have supported both the men and women athletes of Valley through many succesful seasons. Besides just cheering at the games, the cheerleaders have raised the interest of the students through pep rallies, posters and streamers around the campus on the day of a big game and treating the players to "goodies" at break. We would like to thank the J.V. cheerleaders for their terrific job in supporting Valley's athletes.

With true Crusader spirit and pride, six girls known as I.D., carry the Valley Christian band signs. These girls are the first glimpse of Valley in each parade as they identify our find band. Keeping in step and precise movements are elements which are carefully considered by the judges. Even though they are not judged as an individual group, any honors or awards given to the band is shared with the I.D. unit. Besides marching in the half time shows, the I.D. girls marched in parades sponsored by such communities as Artesia and Bellflower as well as marching in the ALL Western Band Review. Their hard work and practice is well appreciated by the band and student body for showing such true dedication during each event they participated in.

8th Grade Graduation

Eighth Grade Graduation was an important night for everyone at Bethel Reformed Church on June 5. Proud parents and relatives looked on as their sons and daughters received their diplomas. For the graduates themselves that night marked the end of their years in elementary school and the beginning of high school life. A reception for the graduates and their parents was held in the high school chapel after the graduation exercises. All in all, this was a very exciting night for everyone.

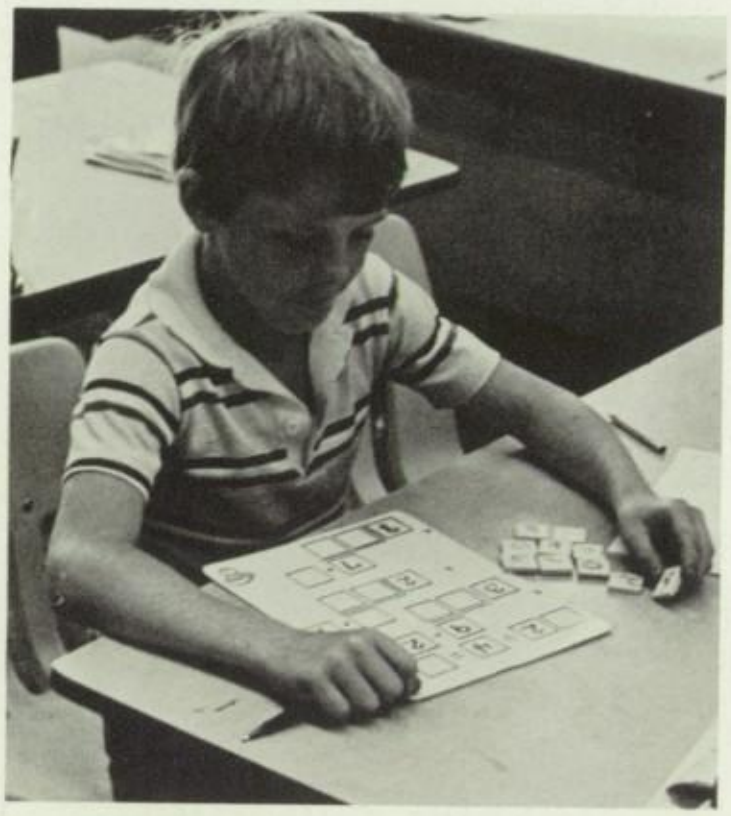
Kindergarten Graduation

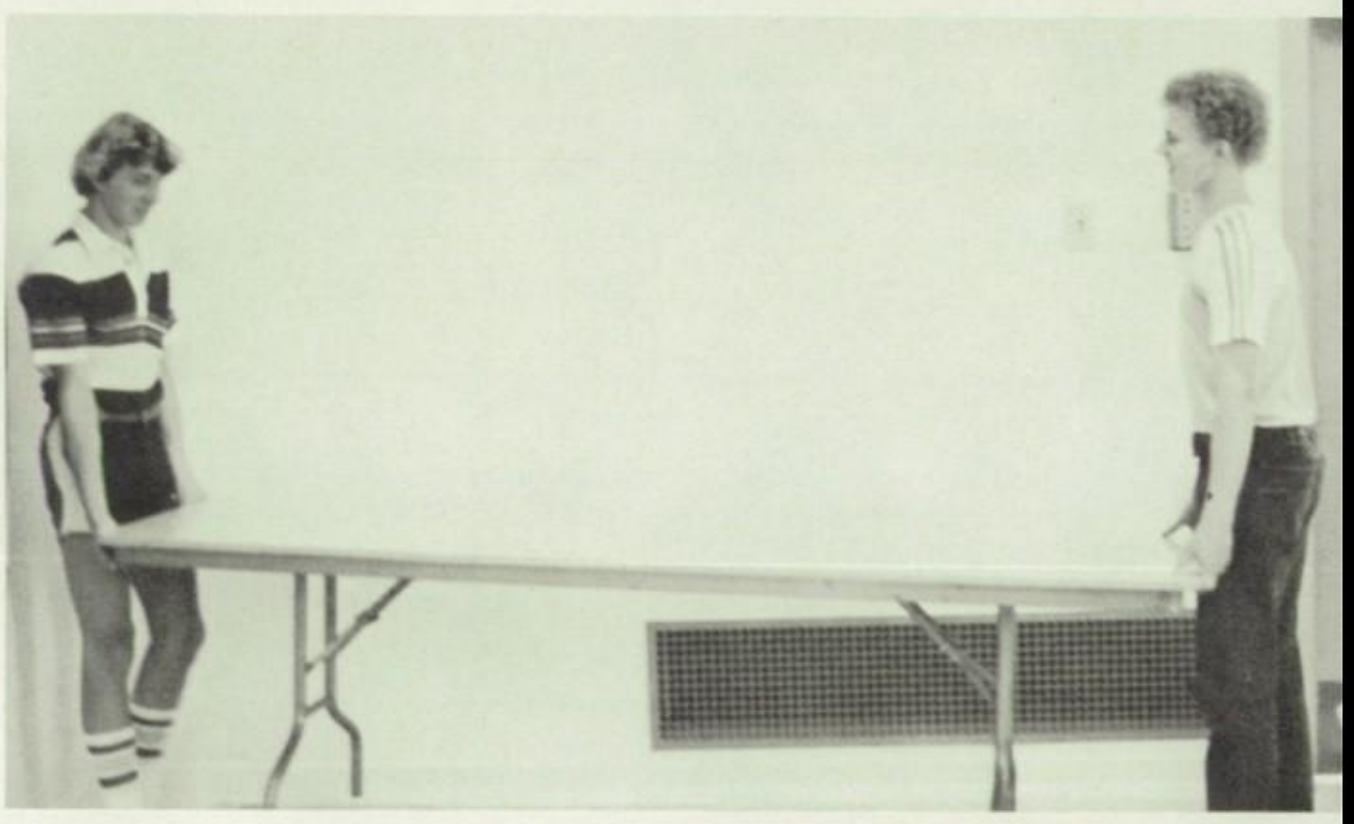
The high school seniors and eighth graders are not the only ones to graduate. There is another group, a small group which is over looked, the Kindergarten class. The future class of 1992 held it's graduation ceremony in the high school chapel, complete with diplomas and cap and gown. Watch out world, they've only just begun.



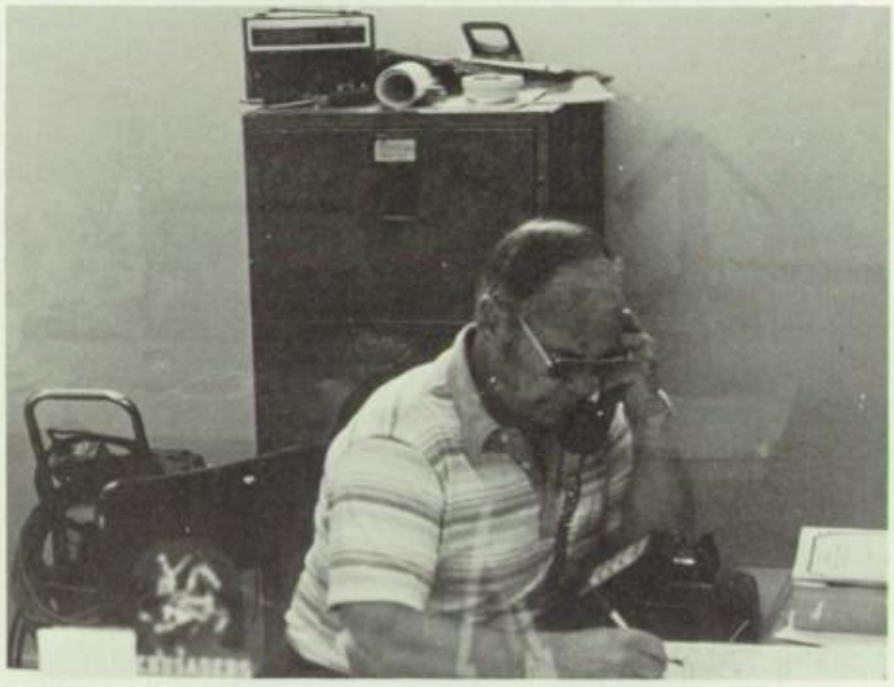
Sierra Nevada

Janitors

As anyone can see, Valley's campus always seems to have that just-cleaned look. The Mudders can always be seen cleaning up around the school, making it a pleasant place to be. Everyone knows their friendly smile as they pass them through the halls. The janitors are not always remembered but they are always appreciated. We can be proud of our school's campus because we know it will always be neat and clean.



Bus Drivers



This year the bus drivers were very efficient. They got us to school in time and home again. This year there was no accidents. The bus drivers this year had a hard time of calming down the students. But some how they managed to control us all. We have a lot to thank the bus drivers for. We can always depend on the bus drivers to get us somewhere. No matter where the students have to go.

Begin the day with friendliness,
Keep friendly all day long.
Keep in your soul a friendly thought,
On your heart a friendly song.
Have in your mind a word of cheer.
For all who come your way,
And they will greet you, too, in turn
And wish you a happy day.
